The final general fund budget for the 2015-2016 fiscal year is presented for adoption on the form PDE-2028 as required. The adoption of this budget marks the end of the budget development process which began during the fall of 2014.

Significant steps in the budget development process included:

•	February 9, 2015	Approval of Preliminary Budget
•	May 4, 2015	Approval of Proposed Final Budget
		<b>– – – –</b>

• June 1, 2015 Budget Hearing

The budget hearing held on June 1, a state legal requirement, was an opportunity for the public to comment on the proposed final budget approved on May 4.

The Final Budget includes the following modifications since the Proposed Final Budget was approved:

- Total Fund Balance increased by \$90,000 due to a decrease in the debt service budget line item.
- Unassigned General Fund Balance increased by \$17,000 due the change in budgeting for substitute costs from the third party provider to district employees.
- The handling of substitute costs impacted the budget by:
  - Increase to salaries by \$1,390,060
  - Increase in benefits by \$491,159

- Decrease in purchased services by \$1,648,454
- Increase in revenue for FICA and PSERS reimbursement by \$232,765
- Increase to Transfer to capital reserve fund of \$17,000 after reconciling unassigned fund balance.

The administration continues to monitor the budget discussions at the state level and will prepare recommendations for board consideration as appropriate. When a state budget enacted, the administration will report results to the board and recommend a reopened budget if appropriate.

Please find attached the budget resolution and the required budget form PDE-2028 which has been available on the district website and in the Business Office for community review.
