Re: 2018-19 Budget Development - Transportation

Transportation

This budget development update includes an analysis of district transportation services with a summary of the budget and expenses for transportation including:

- Salaries based upon contractual increases
- PSERS at increased rate
- One-time increase in supplies and equipment of \$250,000 for purchases of buses

The changes for the school day schedule next year continue to be refined. The increase in recurring and one-time equipment costs related to the new school day is significantly below the original estimate of \$550,000.

Operational Statistical Data

The district operates 98 buses daily transporting approximately 7,500 students to 13 public schools and 14 private and charter schools. District employees drive 39 buses with the remaining 59 driven by four contracted carriers. The district buses are driven with 44 drivers, including substitutes, for a total of 255 hours weekly.

Although the SCASD school calendar includes 177 student days of instruction, the transportation department transports students to the private and charter schools an additional 21 days for a total of 198 days. These additional days are required since the private and charter school calendars do not coincide with SCASD.

The district's bus inventory includes a total of 52 buses of varying sizes for a total 65 vehicles. The additional 13 vehicles consist of passenger vans and handicapped buses. Due to the changes in transportation required by the new student schedule beginning in the 2018-19 school year, the district will be replacing several buses with larger capacity units. The vehicle average age in the district fleet is 10 years, while the average age for district buses is 9 years. PDE reimbursement

ends when a vehicle reaches 19 years in service, therefore we definitely expect to replace vehicles reaching that age. Comparison data with local and like districts is included in Attachment A.

<u>Private and Charter Schools who receive district transportation:</u>

Centre Learning Charter, Nittany Valley Charter, Young Scholars, Charter, Our Lady of Victory, St. Joe's Catholic Academy, Nittany Christian, Grace Prep, St. John's Catholic School, Centre Co. Christian Academy, Friends, Grier, Grace Lutheran Kindergarten, Our Children's Center, Park Forest Montessori

Contracted Carriers:

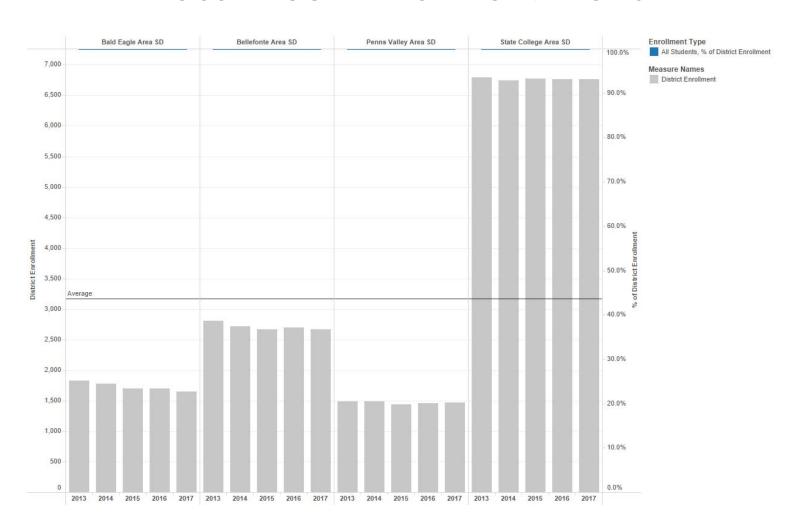

Browns Busing - 11 buses Cole Transportation - 14 buses
Confer Transportation - 19 buses Long Motor Buses - 15 buses
