We have a new staff member at Delta!
We've asked Sonya a few questions so we can get to know her better.

My role at the Delta Program is being a paraprofessional in Delta High Learning Support. I work with the best students and colleagues; Deb, Emily, Bethany and Ryan.

2. What are your hobbies?

My hobbies are reading, yoga, hiking, kayaking, swimming, and spending time with family and friends.

3. Who or What inspires you?

Every day, positive people inspire me the most!

4. What is a fun fact about yourself?

A fun fact about myself is since starting at The Delta Program, I've had the opportunity to experience students of all ages; preschool, elementary, middle school and now high school.

Thank You Jake and Olivia!

Jake and Olivia have been student teachers at Delta High. They both have served the Delta Community well! They are graduating from PSU this Winter.

Jake will spend early 2020 guest-teaching in West Chester, PA. In June, he will head to Texas for Teach for America training, before starting his two-year placement with Teach for America in Colorado Spring, CO.

Olivia will spend the spring semester teaching in Williamsport, PA. She is applying to graduate programs for her Master's in Special Education for next school year.
