Our New Building

“So I really like the new building, but it just doesn't feel the same as the old building. This building will take some time to get used to because it's such a nice new place to be.” – Paisley Taylor, Delta Middle

“I love the new building! The windows and open space are a HUGE plus (also the AC). I'm excited to make it feel more like a Delta building than a State High building, but when that's done the building will be even better!”
-Lucy Snyder, Delta High

“The new building is great. I think it may not “feel” like delta yet, but we will eventually.” – Jack Mylin, Delta Middle

Getting to Know: Diane

Diane is the newest member of the Delta Community. She is our IT Depot staff! She will be with us all year long. Let's get to know Diane ☺

What are your hobbies?

My hobbies are reading, sewing and visiting nearby areas in Pennsylvania, West Virginia, Maryland and Washington, DC.

Who inspires you?

My Mother. My Mom is almost 90 years old and she is the most active, put together and positive-thinking person I know.

What is a fun fact about you?

I have worked in many libraries over the years—including Penn State Libraries and most of our Elementary Schools libraries here at SCASD, as well as the libraries in our middle schools and High School. I enjoy visiting public libraries whenever I am in a new town or city.
