

Cheer Booster Meeting February 2, 2023

Kyrsten Murphy, Summer Radzanowski, Dana Webber, Amy English, Tracy Binkley, Tana Troupe, Rachel Klinger, Chrissie Fiore, Kelly Amos, Janice Kellerman

President's report

Middle school team took second place in a competition. Varsity finished 5th in the state – Friday's routine had 0 deductions.

Everyone who participated in Lorelai's youth clinic and subsequent performance at the basketball game. Having gone so well, it inspires us to hold clinics in the future.

Nationals for varsity is this coming weekend.

We'll release \$150.00 for picture purchases to share with athletes regarding states and nationals; and reimburse \$20 to middle school for photos.

Cashless options such as square will be purchased and set up for home comp.

An adding machine will be bought.

We need a backdrop for pictures and a photographer for the home comp; maybe the stairwell landing up toward the indoor track would be a good place.

We should allow more practice time on spring floor for teams at home comp, and be sure that people will help move the teams from one station to another. Middle school athletes will probably be in the practice room, and many must leave in the PM for the play.

For donations, we'll include options from \$5-100 With a due date. But sometimes the money ultimately doesn't get delivered.

We can increase prices slightly from last year. Most drinks were \$1 last year, but I think we should raise it to \$2 bc that's the cost at other meets; the big gatorade could be \$3 then instead of \$2.

Free shirts for athletes and volunteers, and for sponsors (to be sent with a thank you note) – with the sponsors' names on the back pre-order for other clothes to sell.
