

Cheer Booster Meeting August 11, 2022

Summer Radz, Tracy Binkley, Ms. Kellerman, Kelly (Cadence's mom), Ms. Peters, Dana Webber, James Murphy. Coaches said they may be joining virtually later but were not able to join.

UCA camps seemed to have gone well. Team bonding lunch via dues was given on last day.

Treasurer Chrissy is on vacation, offered to attend virtually but we politely declined so that she could enjoy.

\$733 spent in July. \$19,870.41?

Changes to budget – we had thought coaches would be \$4k for nationals, transport increased from airport to hotel and vice versa.

Shirts quoted at \$1300 should have been 300, and team dinner stays the same.

Income approximately \$6.9K, expenses approximately 10K.

Review minutes from prior meeting, motioned to approve, seconded, motion passed.

Fund raising and being fiscally responsible at the same time as being equitable for team members:

How do I get a tax-exempt for my booster club?

Reserve the name of your booster club and contact the Internal Revenue Service at the number 800-829-4933 to receive a "Tax-Exempt Status for Your Organization" form, also known as Publication 557. You will then be sent a package titled as "Application for Recognition of Exemption."

<https://www.pay.gov/public/form/start/62759871>

We need from 2200-6600 more \$ to help, especially if we go with nationals.

Our next meeting is September 1.

Ask to sell bracelets at lunch and put it on announcements.

Can we donate rather than buy for home game day meals?

Varsity parents can donate water and snacks.
