Tracy Bissol (Vanessa Bissol, HS)
Kathy B

Tracy Bissol motioned to approve secretary's minutes from last time; Chrissy Fiore seconded it. All approved, and minutes passed.

President welcome's new team members, congratulates them, acknowledges graduating seniors.

Treasurer's report. New speaker for tryouts, pura vida bracelets for fundraiser are expenses; new balance is \$22,116.81.

Filing (taxes) has been confusing; Tracy Bissol passed emails to new treasurer and encouraged her to find out more information on how to file.

- Ultimate sub fundraiser orders are in and participation was about 14 families. Delivery is June 13 and Tracy Binkley will send email to the families the amount that can be subtracted from camp fees.
- Pura Vida bracelets costs \$4, so we could sell for \$8-10 to use for pom fundraiser. They are maroon, gray, and white.

We need to schedule for preseason photos both formal and informal.

- Football is on August 11; maybe we could do formal photos on August 15 after 11am but before 5pm because of the football practice schedule on memorial field. Or August 12, football practice is done in the early evening; so, maybe we could take pictures once they've left.
- We can't wait too long because of program printing.
- Will we use VJM? The board will get back to Dana W. on that.

Coach's update –

- problem with camp portal. There will be a link and registration number, payment amount and information will be online.
- Our treasurer will be able to call and the camp will put our credit card information in for each

athlete for the amount that they'll get.

- 75% must attend of the team, or else we can't compete at regionals or nationals and we'll have to make other plans (for home camp) so that we can get credentialed.
- Rachel will send a survey to families by Monday.
- If we could find out the camp date sooner, that would be helpful.

- High school won't practice this coming Wednesday and the next Monday. Maybe we'll practice on Monday, but not sure because coach will go on vacation last minute.
- Practice and camp wear are ordered.
- Tracy Binkley will make order forms and have them ready by the end of the month for bracelets to Rachel.

- We need 12 sets of poms for middle school, which means that they can participate in fund raising for poms for the program. (Pure Vida bracelets)
- 25 sets of poms will be ordered for high school. Rachel's not sure how much they cost.
 - o A set of poms is \$1000 for high school and \$260 total for middle school. So, 10 bracelets sold per athlete would be a good goal. About \$1300.00 total.

First and last day of camp is usually around noon. Parents must drive, because SCASD won't pay; so, bussing would be expensive. Is there parking for athletes that can drive themselves? Rachel doesn't know but athletes aren't supposed to drive themselves according to SCASD. Families will be surveyed if they can participate in driving.

Consent forms must be printed for athletes who are going to ride with a different family.
Door decorations, spirit theme wear, or little care package bags ... let's think about that: camp theme = spirit power.
Tank tops and streamers, name tags.

- Summer will send a survey for athletes and ask Rachel to reinforce ... information for birthdays, meal preferences (subs details, pizza type, dietary restrictions, etc.)
