Home Competition Feedback and Ideas for next year:

Overall went well

Floor set up/ tear down was much easier this year will do the same next year

Want to increase the number of participants for the jump/tumble

Very long wait between morning and afternoon groups will adjust

Had several flowers leftover may order less

Had plenty of stuffed animals would like the same amount next year as they are 100% profit

Adding some healthier options to the concession stand

Selling candy in stands went very well

Looking at an earlier date for next year to try to increase participation from Scholastic teams

Meal vouchers for cheerleaders worked well
