Office of Finance and Operations 240 VILLA CREST DRIVE • STATE COLLEGE PENNSYLVANIA • 16801 TELEPHONE: 814-231-1021 • FAX: 814-272-8790

To:	Board of Directors
From:	Robert O'Donnell, Randy Brown and Donna Watson
Date:	December 2, 2021
Subject:	2022-2023 Budget Development

The purpose of this discussion is to introduce the proposed preliminary budget for 2022-2023. The Act 1 budget timeline requires the approval of a proposed preliminary budget or the Accelerated Budget Opt Out Resolution (resolution). The administration recommends approval of the resolution (Attachment A.)

Accelerated Budget Opt Out Resolution (Attachment A)

The resolution certifies that the school district's revenue will be sufficient to balance the school district final budget for the 2022-2023 fiscal year. This is based on maintaining the current tax rates, or by increasing the tax rates by an amount less than or equal to the Act 1 index applicable to the school district. The <u>Act 1</u> index for the district is 3.4%.

The Act 1 index is calculated by averaging the percent increase in the Pennsylvania statewide average weekly wage and the Federal employment cost index for elementary/secondary schools.

The resolution further certifies that the district has complied, and will continue to do so, with the rules set forth in the state School Code for adoption of the school district proposed and final budgets for the next fiscal year. The <u>budget development timeline</u> includes the dates for budget development board and committee meetings, as well as required approval due dates to comply with the budget adoption rules in the School Code.

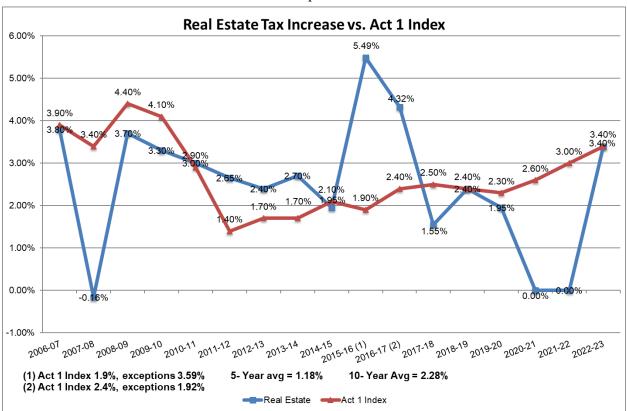

In addition, by approving the resolution, the district will not be eligible to use Act 1 <u>referendum</u> <u>exceptions</u> for the next fiscal year. Referendum exceptions allow the tax rate to exceed the Act 1 index for specific purposes, which include school construction debt service, special education expenditures, and retirement contributions. The district used the Act 1 referendum exceptions for the State High referendum debt during 2015-2016 and 2016-2017 years as well as from 2010-2011 to 2013-2014 for retirement contributions. In all other years since 2006-2007 the tax

rate increase has remained within the Act 1 index, with the Board approving the resolution in most instances.

The Act 1 timeline requires approval of this resolution by Jan. 27, 2022. Therefore, action by the Board would need to occur at the Jan. 10, 2022 board meeting. In the event the resolution is not approved by the Board, a preliminary budget would need to be approved by Feb. 16, 2022.

2022-2023 Proposed Preliminary Budget

As the district continues to feel the impact of the COVID-19 pandemic, consisting of strains on the local economy and increased costs for mitigation and instruction, the proposed preliminary budget for 2022-2023 (Attachment B) includes a real estate tax rate of 3.4%, the maximum allowed by the Act 1 index. During the <u>2021-2022 budget approval in June</u>, the administration cautioned that following two years of no change in the rate, a higher increase may be necessary. Graph A shows the history of the real estate tax changes and Act 1 index since its inception in 2006-2007. The district's 5- and 10-year average tax rate changes were 1.18% and 2.28%, respectively, while the average Act 1 indexes for the same periods were 2.56% and 2.26%.

The rationale for the proposed tax rate change includes lost revenue during the pandemic at the local level, in addition to no real estate tax rate increase for two years and inflationary increases in costs. The district has benefited from subsidies from federal, state and local sources; however

it should be noted that a portion of these revenues have been restricted to addressing pandemic-related costs.

Please remember, this is only a preliminary budget proposal. There is still much to be learned about the district's financial position for the current year which can be extrapolated into the next year's budget. As budget development continues, the preliminary budget will be updated to reflect any unanticipated changes in our economic recovery.

The local revenue budget includes the following assumptions:

- Assessed value growth of .8%, which accounts for lower additions of new properties and higher than average tax assessment appeals, the same as projected in 2021-2022
- Collection percentage of 97%, similar to the historical experience
- Earned Income Tax growth at 2.5%
 - 5-year average 2.19%
 - 10-year average 3.28%
 - 2020-21 decline of .74%

Budgeted state and federal subsidies are similar to 2021-2022. Certain state revenue, such as retirement and social security reimbursements, are budgeted in relation to the expenses — specifically, the value in which they are reimbursed. Other federal revenue primarily contains the ESSER funding, which must be expended by 2024.

The expense portion of the budget is based in large part on the 2021-2022 budget; please see the highlights below.

Expense increases:

- Salaries and benefits, including healthcare, PSERS:
 - Reflects impact of current contractual agreements and estimates for expiring ones
 - Assumes 2021-2022 budgeted staffing levels
 - Assumes continuation of Virtual Academy at the elementary and secondary levels
 - Assumed 13% increase for health insurance, based upon current year experience
- Inflationary cost increase for goods and services (higher than normal)
- Return of capital reserve transfer

The proposed preliminary budget has been provided in comparative statement format providing a historical record of the previous iterations.

Multi-year Projection

The multi-year projection (Attachment C) has been updated to reflect the 2022-2023 preliminary budget and the 2021-2022 projection. The district's general fund balance is projected (Attachment D) to decline by \$50 million during the period — less than what was projected in May 2021.

Throughout the budget development process, the multi-year projections will be updated as well. As a reminder, the multi-year projections are used as a guide not only when looking at the current year budget development, but also in preparing for future capital projects.

Next Steps

The administration will consider Board comments when preparing for the next steps in the budget development process. Currently, the following meetings have been scheduled in the process:

- Dec. 8 Finance and Audit
- Dec. 20 Board
- Jan. 10 Board consideration of Opt Out Resolution

Attachment A

Opt Out Resolution

STATE COLLEGE AREA SCHOOL DISTRICT (Centre County, Pennsylvania)

Accelerated Budget Opt Out Resolution Certifying Tax Rate Within Inflation Index (and No Need to Comply with Act 1 Accelerated Budget Procedures)

Background. Act 1 § 311(a), 53 P.S. § 6926.311(a), requires an accelerated budget adoption timeline and procedure unless a school district, no later than 110 days before the primary election, adopts a resolution containing the certifications incorporated in this resolution. The deadline this year is January 27, 2022. After adoption of a resolution containing such certifications, § 311(d) authorizes a school district to comply with pre-Act 1 budget adoption rules as set forth in School Code § 687, 24 P.S. § 6-687. The School Board has reviewed the school district preliminary budget or has other information sufficient to make a determination that the budget for the next fiscal year can be funded based on maintaining current tax rates or increasing taxes by an amount less than or equal to the Act 1 index. In lieu of the Act 1 budget adoption timeline and procedure, the School Board wishes to make the required certifications and comply with pre-Act 1budget adoption rules.

RESOLVED, that the Board of School Directors of State College Area School District, makes the following unconditional certifications:

- 1. The school district's various tax levies and other revenue sources will be sufficient to balance the school district final budget for the next fiscal year (2022-2023) based on maintaining current tax rates or increasing tax rates by an amount less than or equal to the Act 1 index applicable to the school district as calculated by the Pennsylvania Department of Education. This conclusion is based on the school district preliminary budget or other information available to the School Board.
- 2. The applicable index for the next fiscal year is 3.40%, and the School Board will not for the next fiscal year increase the rate of its real estate tax, or any other tax for the support of public education, by an amount that exceeds the applicable index.
- 3. The School Board has to date and in the future will comply with the rules set forth in School Code § 687 for adoption of the school district proposed and final budgets for the next fiscal year.
- 4. The School Board understands that the school district will not be eligible to use Act 1 referendum exceptions for the next fiscal year.

Duly adopted by the State College Area School District (Centre County, Pennsylvania) in lawful session assembled on this 10th day of January, 2022.

STATE COLLEGE AREA SCHOOL DISTRICT

Attest:

President, Board of School Directors

Secretary

[[]Per Act 1 §§ 311(d)(2)(ii) and (iii), the school district must, within 5 days after adoption of this resolution submit to PDE: (1) on a PDE prescribed form, information on any proposed tax increase – **Real Estate Tax Rate Report**; and (2) a copy of this resolution.

59 60 61 62 (1) Projected 2021-22 reflects the projected impact of COVID-19. Future years are assumed to be between the 5 and 10-year historical averages of 2.19% and 3.28%, respectively.

63 (2) Projected 2021-22, 2022-23 and 2023-24 reflect the estimated impact of COVID-19. Years 2024-25 forward assume historical 10-year average of 1.2% through 2020-21.

(3) Excludes reimbursement due to the district for debt service payments related to the high school and elementary project debt paid during construction. Reimbursement related to referendum debt is approximately \$312,000 annually.

64 Plancon reimbursement related to debt paid from the capital reserve fund is included in transfer to capital reserve.

5 (4) Other State Revenue for 2018-19 and 2019-20 include DCED grant revenue related to the State High Project and three elementary buildings. This grant revenue is included in both revenue and expense.

66 (5) Other Federal Revenue includes Perkins and Title IV revenue. From 2019-20 through 2023-24 include actual/projected revenue from COVID related grants.
