

2022 - 2023

# Class Syllabus

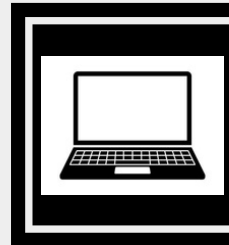

## GRADES

- Should be checked on a weekly basis through Canvas or Synergy
- Social Studies grades will be comprised of:
  - In-class assignments
  - Participation
  - Quizzes
  - Projects
  - Homework

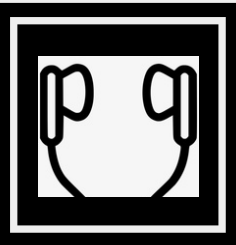

## LATE & MAKE-UP WORK

- Please refer to my Weekly Assignments page (linked below) to view assignments, our in-class agenda, and any homework.
- If a student is absent, they are to check our Weekly Assignments page for the work they have missed. Should they have any questions after having read the Weekly Assignments page, please feel free to email me at rdw15@scasd.org
- There is an expectation that students complete any missing work within one six-day cycle from the date of their absence. For example, if a student was absent on a Day 1, their work would need to be submitted before the next Day 1. Please let me know if there are any questions about this.
- If a student knows they will not be able to meet any due date or deadline, they should come and speak with me or email me so that we can set up a meeting time. I am flexible, and I want to encourage an open line of communication. We will work together to get on the right track!
