Hats:

Hats can be worn outside to protect from the sun only, no hats allowed inside the classroom.

Must be uniform colors.

Hats may not have logos.

There will be a number of non uniform (free dress/spirit days) throughout the year. Please refer to the district handbook for non uniform guidelines. No pajamas should be worn, unless it is a specified pajama spirit day.

We realize that the purchase of uniforms may be a hardship for some families and the school does offer a uniform assistance program. Please contact the school office for more information.

Thank you,
