

Human Dignity Policy

The Corporation has a diverse, multicultural school community; a fact the Board of Education considers an asset and a source of pride and enrichment. This diversity, however, underscores the importance of sensitivity to the backgrounds, feelings, and concerns of students and community members and of meeting the moral imperative of an equal opportunity society free of prejudice and discrimination.

The Corporation believes it is part of the Corporation's mission to provide a positive, orderly, and harmonious environment in which respect for the dignity and worth of every member of the school community is recognized and promoted. The Board believes that all employees, parents/guardians, and students are entitled to be treated and are obligated to treat others with courtesy, fairness, and decency. Only through the commitment and ongoing attention of each of us to a safe, caring and supportive atmosphere can we expect to achieve our objective of enabling all of our students to achieve their maximum potential as students, citizens, and productive members of society.

Accordingly, in this School Corporation, statements or behavior by any member of the school community which insult, degrade, harass, discriminate, or stereotype any other person on the basis of race, color, sex (including transgender status), background, ancestry, ethnic or national origin, military status, or religion are unacceptable.
