

THIRD GRADE SUPPLY LIST

In third grade, all supplies are shared and we already have so many supplies on hand. We are asking families to purchase a \$20 gift card for Walmart or bring \$20 cash on back to school night (August 20th) or within the first couple days of school. The money we receive from families will go to restock supplies that run out during the year.

Your child will need to bring a pair of shoes to keep at school for Physical Education.
