

Protect yourself from West Nile virus

Use insect repellent* when you go outside.

Drain standing water regularly.
Mosquitoes breed in water that collects
in buckets, tires, gutters, and saucers.

Wear long sleeves and pants at dawn
and dusk when mosquitoes
are most active.

Keep screens on
doors and windows in
good condition to keep
mosquitoes out.

**FIGHT
THE BITE**

* Approved repellents contain DEET, picaridin or oil of lemon eucalyptus.
