Re: August 2022 Treasurer's Report
Date: November 2, 2022

Attached are financial reports for August 2022. Below are explanations of major variances compared to the prior year.

Local revenue is approximately \$1,218,000 greater than prior year, primarily due to an increase of \$1,595,000 in the Real Estate tax revenue. This variance includes the impact of a 3.4% tax increase, assessed value growth of 1.4% and timing of receipts compared to prior year. Pending appeals are expected to reduce this increase when resolved later in the year. Real Estate transfer tax and interest on investment are greater than the prior year by approximately \$248,000 and \$168,000, respectively. Earned income tax revenue is less than the prior year by approximately \$822,000 related to timing of receipts.

State revenue is approximately \$478,000 greater than the prior year primarily due to increases in the basic education subsidy and state property tax reduction revenue of \$227,000 and \$185,000, respectively. Federal revenue is approximately \$2,744,000 greater than prior year due to timing of prior year related to the timing of CARES Act funding.

Expenses are in excess of prior year by approximately \$1,386,000. Personnel expenses increased by approximately \$1,679,000. Salaries increased \$1,044,000 and benefits (primarily PSERS, social security and health insurance) increased approximately \$636,000. Non-personnel related expenses are less than the prior year by approximately \$293,000, most notably due to the timing of technology related expenses.

On a monthly basis, actual revenue and expense by detailed lines are compared to budget and prior year actuals. The budget column represents the full year, therefore, each month we look at the receipts or spending to date as a percentage of the total budget, taking into consideration known variations in the timing of each line.
