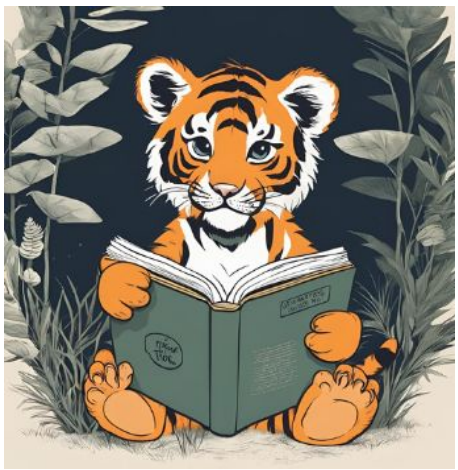
WILD about READING!

Summer Reading Challenge

I have a challenge for you! During the summer from June 6th through August 25th, I challenge you to read. Students in grades K, 1 and 2 for the 2024-2025 school year need to read 6 books. Kindergarten students may read their books or have an adult read to them. Students in grades 3 and 4 for the 2024-2025 school year need to read 4 chapter books. Chapter books that are 300 pages or more may be counted as 2 books. As you read each book, complete the information on the back and have a parent/guardian sign that you have read each book. Remember to return this paper to your child's teacher on the first day of school to receive a prize. Are you up to the challenge?



Sincerely,

Mrs. Linderman
