4th Grade Reading Suggestions
Summer 2024**

We are all excited for the end of the year, but many students regress when they take two months off from school. In fact, students who do not read over the summer are on average 2 ½ years behind their peers! Below is a list of great books that are recommended for readers entering 4th grade. Many of these books have movies that go with them, so it makes great compare and contrast conversations.

The BFG by Roald Dahl
Wings of Fire Series by T. Sutherland
Diary of a Wimpy Kid Series by Jeff Kinney
Matilda by Roald Dahl
I Survived Series by Lauren Tarshis
Where the Red Fern Grows by Wilson Rawls
Who Would Win Series by Jerry Pallotta
A Wrinkle in Time by Madeleine L'Engle
Charlie and the Chocolate Factory by Roald Dahl
The One and Only Ivan by K.A. Applegate

Reading with your child, and having discussions about story plot and character development, truly does make a huge difference. Please visit your public library over the summer to check out some of these great books!
