## Key Features of the Academic Program

- Appropriate level of challenge: pace, depth, rigor
- Instruction at academic level, not age (grade) level
- College of William and Mary Literacy Resources
- World Language (Spanish)
- Cross-curricular units that emphasize real world learning
- Financial education (Token economy with student run bank and store)
- Technology tools that enhance learning and connect students with community and world
- Social and emotional support, as well as, social skill development
- Passion projects

## Admission Process

Admission assessments are given to students in February and May. Students need to score in the 96th or higher percentile to be considered a match for the academic rigor of the Leonardo da Vinci academic program.

Admission information is available on our website. The site includes links to all necessary forms:

[davinci.gbaps.org](http://davinci.gbaps.org)

### Assessment Information

Students take the NNAT3 assessment. This is a non-verbal ability screener used nationally to screen students for gifted and talented services.

Students need 15 points to be seen as a match. Points are given as follows:

NNAT Score of 128 or higher = 15 pts

### Admission Timeline

The first round of assessments are for students who live within the Green Bay Area Public School boundaries. This assessment is given in February. The second round of assessments are held in May and are open to all interested families.

Leonardo da Vinci School sends assessment results to families within two weeks

of the assessment date. Families will know how their children did on the assessment and how many points were earned. Families need to wait for a second letter from the Green Bay Area Public School Enrollment office to find out if there is a seat available for the children who met the admission requirements. If there are more students who qualify than there are seats available a lottery process is used to offer spaces to learners.

Please contact the Principal at Leonardo da Vinci School for Gifted Learners with admission questions. (Contact information on back of brochure.)

### **LEARNERS**

**Excel**—We excel academically.

**Altruistic**—We are altruistic; we give back to our community.

**Determined**—We are determined to accomplish our goals.

**Engaged**—We are engaged in all that we do.

**Respectful**—We are respectful of our learning, our school community and ourselves.

**Safe**—We put safety first.

Leonardo da Vinci School is a learning opportunity for students who desire and are able to learn at a faster pace, with greater depth and rigor.
