Purpose of Parking Fees

The purpose is to assure the safety & security of Interlake, and to deter students from violating safe driving & parking practices. Funds generated by parking fees are used to pay for supervision of all parking lots on IHS campus, upgrades, maintenance, costs related to parking registration & maintenance of ticket records, parking facility, & other school-related costs.

What are the Rules & Consequences for violations?

Parking citations carry a minimum \$25 fine depending on the severity and/or frequency, additional penalties and/or discipline consequences up to & including temporary or permanent loss of parking privileges, and will be issued for the following:

1. Parking without a valid & visible permit. Permits must be clearly displayed on the rear-view mirror or on the dash.
2. Improper parking of vehicle, including not properly parking in the stall (taking more than one place or blocking accessibility), parking in restricted areas (fire lanes, bus lanes, handicap only, staff or visitor parking areas, the bus turn-around area, grass etc.) or not parking in assigned parking area.
3. Moving violation (speed, unsafe driving, running a stop sign, misuse of vehicle). The speed limit in the parking lots is 10 MPH.
4. Falsification, misrepresentation, reselling or possession of another student's parking permit.
5. Students may not borrow, loan or resell parking permits. Parking privileges may be suspended or revoked for these acts & additional fees imposed.
6. A fine will be issued for parking in a handicap space without a valid & visible state handicap parking permit, issued to the driver of the car. Car is subject to ticket and/or impound from the Police Department.
7. If you wish to dispute a parking ticket you receive, you must do so with the parking supervisor, within five (5) days. **No changes will be made for tickets older than five school days.** Disputing a parking ticket does not necessarily result in a reduction or elimination of the fine.
8. For a student with more than three violations, a referral will be written, & parents will be contacted. A towing warning letter may be issued.
9. **Parking fines must be paid by the end of each quarter or the parking permit may be revoked until the parking fines are paid.** No reimbursement will be given if the parking permit is revoked.
10. A student may not have a handicap parking pass and play on a sport team without prior approval from the principal.
11. A student will be allowed to replace a lost or stolen parking permit **once** at a cost of \$20. The original permit will be voided & a new permit issued. If your permit is stolen, submit a report of the theft with the security officer immediately.

_____ Initial to agree

Repeated violators may be towed at the owner's expense. Violations & sanctions are specifically detailed in the Discipline Policy. Cars towed will be assessed a fine from Interlake in addition to fees charged by the other agencies.
