Student Agency Interviews

- To what extent do you feel your ways of being and learning are valued here?
- How often do you have opportunities to construct your own knowledge (versus taking notes or a lecture)?
- How often do you have opportunities to demonstrate your understanding in ways other than a quiz or test? What is that experience like?
- To what extent do you feel like you belong here? Why/Why not.
- To what extent do you feel seen here? Why/Why not.
- When is the last time you felt that you could make a difference here about something that matters to you? What was that like?
- What ideas do you have to make our school a place where you feel a greater sense of power and agency - to have the ability to take action and make informed decisions based on a growing base of knowledge? What would allow you to thrive?
