SENIOR EMAIL ACCOUNT DATA TRANSFER BEFORE JUNE 30

When you graduate, you can take your emails and Google Drive files with you. Using Google Transfer and Google Takeout, you can migrate data from your PHSD student account to any other Google account. Please read the entire email, subject line: PHHS Class of 2024 Google Takeout & Google Transfer. "Google Transfer" does not have access to the same Google data the "Google Takeout" does. This being the case, you might opt to do both options. This needs to be taken care of before the end of June!
