

Middle School students have summer math work that needs to be completed before the 2024-25 school year begins. Below you will find the information on the lessons that need to be completed for each of the math courses in the Middle School.

**For students using on-line math work:** Students will be provided login instructions to access the website [www.learningupgrade.com](http://www.learningupgrade.com) or [www.deltamath.com](http://www.deltamath.com) to complete the assigned lessons. If a student has issues over the summer with website access, they can contact the helpdesk or email [MSmath@dcds.edu](mailto:MSmath@dcds.edu). Summer Learning Upgrade or Delta math assignments will be graded in the fall based upon the average score from the levels completed.

**Students are encouraged to do their summer math work over a period of time.  
It would be best to do one or two lessons each week.  
Consider additional review of the “5 outs” from your final exam.**

**STUDENTS WHO WILL TAKE GRADE 4 MATH ARE SUGGESTED TO REVIEW:**

Suggested review: Summer review work provided by email. Link also available on DCDS website Back to School page in MS 4<sup>th</sup> grade folder

**STUDENTS WHO WILL TAKE GRADE 5 MATH OR GRADE 5 ADVANCED MATH**

Required work: Summer packet provided by email. Link also available on DCDS website Back to School page in MS 5<sup>th</sup> grade folder.

**STUDENTS WHO WILL TAKE GRADE 6 OR GRADE 6 ADVANCED MATH**

Required work: [www.deltamath.com](http://www.deltamath.com) select course “Class of 2031 (rising 6<sup>th</sup> grade)  
Complete Skills sets # 1-4. **Work should be recorded on separate paper for submission.**  
Login information provided by your 5<sup>th</sup> grade teacher ([Class code & registration link](#))

**STUDENTS WHO WILL TAKE PRE-ALGEBRA or HONORS PRE-ALGEBRA**

Required work: [www.deltamath.com](http://www.deltamath.com) select course “Class of 2030 (rising 7<sup>th</sup> grade)  
Complete Skills sets # 1-5 **Work should be recorded on separate paper for submission.**  
Login information provided by your 6<sup>th</sup> grade teacher. ([Class code & registration link](#))

**STUDENTS WHO WILL TAKE GRADE 8 MATH, ALGEBRA I OR HONORS ALGEBRA 1**

Required work: [www.deltamath.com](http://www.deltamath.com) select course “Class of 2029 (rising 8<sup>th</sup> grade)  
Complete Skills sets # 1-5 **Work should be recorded on separate paper for submission.**  
Login information provided by your 7<sup>th</sup> grade teacher. ([Class code & registration link](#))

**STUDENTS WHO WILL TAKE HONORS GEOMETRY**

Required summer work will be available on the DCDS website Back to School page in US Math folder. This will also be emailed to students in August.
