VALEDICTORIAN

Derek Fraire

Derek Fraire was raised in Las Milpas and is the son of Arianna Garcia and Gerardo Garcia. He is the middle child of three children. As a first-generation student, education is everything; it's an opportunity to grow and succeed. He persevered through the obstacles of life and always found the good in them. He would like to thank every person in his life that got him up to this point, his parents, his friends, teachers, and everyone that guided, encouraged, and supported him. Throughout his high school career, Derek participated in many organizations. He was a member of the Varsity Orchestra, UIL, NHS, Student Council and GO Center. He is a captain of the Varsity Tennis team and a GEAR UP Ambassador. He is grateful for having the opportunity to be let in so many of these families. He is thankful for the experience that high school has given him. He got to see the good and bad parts of life which made him grow up into a mature young man.

Derek graduated summa cum laude from South Texas College. He was the recipient of The Gates Scholarship and UT Dell. In the Fall, Derek will be attending the University of Texas at Austin where he will be studying Business Administration with the hopes of obtaining an MBA with a concentration in strategy. He is still unsure about his career plan, but he is sure to make an impact wherever he goes. Derek counts on the support of his family and friends and will no doubt accomplish his goals.

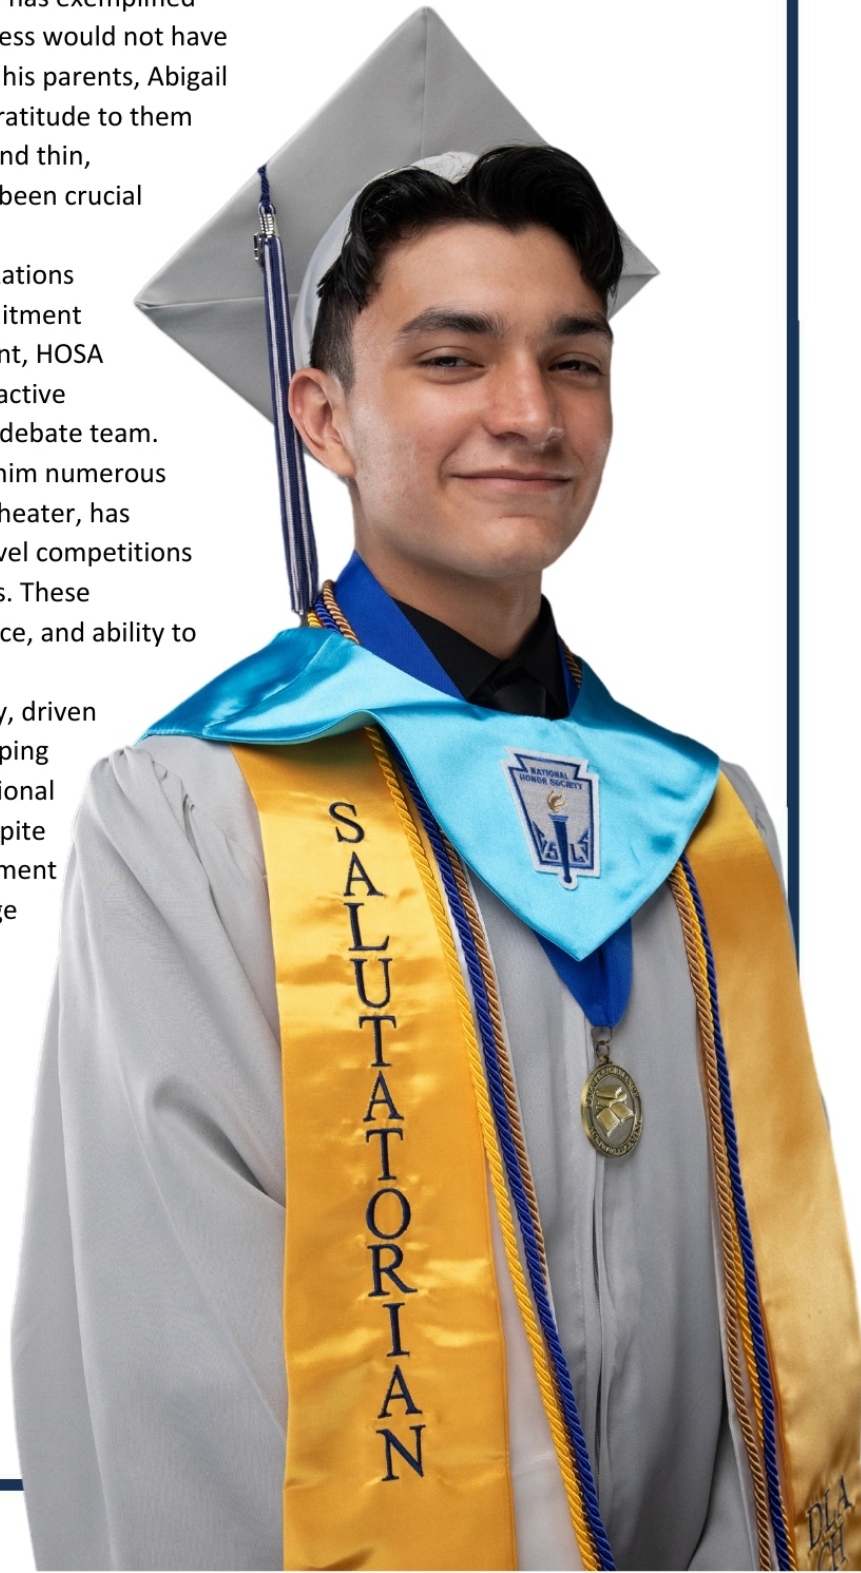

SALUTATORIAN

Allen Garza

Born in McAllen and raised in San Juan, Texas, Allen Santa Maria is a distinguished member of our graduating class. He lives with his supportive parents, Abigail and Jacob Santa Maria, two sisters, and a younger brother, all of whom have been his steadfast pillars of strength. Throughout his high school career, Allen has exemplified the qualities of a true leader and scholar. His success would not have been possible without the unwavering support of his parents, Abigail and Jacob Santa Maria. He extends his heartfelt gratitude to them for their constant encouragement through thick and thin, acknowledging that their love and guidance have been crucial to his achievements.

His leadership and participation in various organizations underscore his well-rounded character and commitment to service. Allen serves as the senior class president, HOSA president, and a GO Team member. He is also an active participant in the National Honor Society and the debate team. Allen's competitive spirit and talent have earned him numerous accolades. He is a state champion in design with theater, has qualified for regionals in debate, reached state-level competitions with HOSA, and was a state alternate for Congress. These accomplishments highlight his dedication, resilience, and ability to excel across diverse fields.

Allen plans to pursue a pre-med track in university, driven by a passion for science and a commitment to helping others. His academic journey is marked by exceptional achievements and a dedication to excellence. Despite a demanding schedule filled with Advanced Placement courses, Allen graduated from South Texas College with an associate degree in interdisciplinary arts last December.
