Public Comment:

For those individuals who intend to address the Board during the "Public Comment" portion of the meeting, the Board Chair will call on individuals to speak when we get to that portion of the meeting.

The intended purpose of the Public Comment segment of our agenda is for a member of the public to bring a matter to the attention of the Board for the Board's information and/or consideration at a later date. In general, the Board is precluded from making decisions regarding Public Comment items, since they are not specified on the agenda.

In addition, the Public Comment section of the Agenda is not a time to raise personnel issues. Therefore, I would like to remind everyone in attendance that to avoid violations of individual rights of privacy, a member of the public wishing to address the Board during this time will not be allowed to make comments about any student, staff member, or member of the general public during his/her designated time to speak. In addition, the Board will not hear comments on contested cases or other adjudicative proceedings.
