

Oconee County Mentor Program

Request for Mentor

Program Description/Information

*The Oconee Mentor Program provides students with the opportunity to develop a supportive relationship with an adult who serves as a positive role model, a listener, a helper, and also a friend. A mentor volunteers to consistently spend time in **school-based mentoring sessions**, encouraging and supporting student success. Mentors do not serve as tutors. All requests are confidential and will be discussed only with the referring person, the student, the student's parents, and the school counselor. Pertinent information about the student may be shared with personnel directly involved in administering the Oconee Mentor Program for the purpose of matching the student with an appropriate mentor.*
