The Lincoln Tradition

Lincoln High School is the second oldest high school in the city of Tacoma and is renowned in the community for its timeless beauty. Construction began in 1913 using the Gothic Style of design. Initially called Lincoln Park High School, the name was changed to Lincoln High School shortly after opening the school. The magnificent Lincoln Bowl was opened in the late 1940s and Lincoln has been home to entertainers such as Elvis Presley and presidential candidates such as William Jennings Bryan.

Over the years the nicknames have come and gone. From the Lynx to the Railsplitters, but this year's graduating class will graduate as ABES. They will embark on the path to a bright future and give great honor and respect to their families, community and school as they accomplish great things and do good deeds.

Congratulations to the Class of 2024! We are very proud of you.

ABE = Absolutely Better Every day
