

**Summer Reading 2024-2025**  
**Grade 10 Chemistry CH213**  
**Mr. Fitzner**

**Summer reading is due on our sixth-class meeting.**

**Textbook:** You will be using the course textbook for your summer reading. You may use a different copywrite version of our textbook, the page numbers may be off but the questions are similar enough to work for this assignment.

*Chemistry*  
Pearson Publishing.  
Copywrite 2017  
ISBN-13: 978-1-32-320590-7  
ISBN-10: 1-32-320590-X

**Chapter One:**

1. Read pages 2 - 26.

**Chapter two:**

2. Read pages 32 - 53.

**Chapter Three:**

1. Read pages 60-94
2. Chapter 3 section review questions #1-55 on pages 63, 65, 68, 69, 70, 71, 72, 79, 82, 86, 87, 88, 89, 90, 91. DO NOT write out the questions, answer in complete ideas, not necessarily complete sentences, or clearly show your work for calculated answers.

**Our first test will cover this material.**
