

SPANISH 2 and 2 HONORS SUMMER HOMEWORK 2024 QUIZLET VOCAB REVIEW!

Amigos,

This summer, you will review basic Spanish 1 vocabulary.
(Spanish 2 and 2 honors have the same review assignment.)

Follow these steps carefully!

All practice should be completed by the second day of class, your first week of school.

It's best to spread this out over several weeks. Don't wait until the last minute! Review spread out over many days in short amounts is best for long term memory.

¡BUENA SUERTE!

1. JOIN THIS CLASS:

<https://quizlet.com/join/7w9p7HKP3>

2. DO THE FOLLOWING 4 ACTIVITIES FOR EVERY QUIZLET SET

(21 sets total, 4 activities each = 84 activities):

1. FLASHCARDS

2. LEARN

3. MATCH

4. TEST - you have many options...click options, answer in Spanish, 25 questions.
I recommend trying all 4 types of questions there (but 2 required) - matching, multiple choice, true/false and the most challenging - written.

(Don't worry about QChat, although you can check it out of course if you'd like - it's an AI tool.)

When your teacher pulls up the progress report in September, he/she will see that you have completed the 4 activities for every quizlet

NOTE: MAKE SURE YOU ARE SIGNED IN WHEN YOU DO YOUR PRACTICE OR YOUR TEACHER WILL NOT SEE YOUR RESULTS!

On the first day of class, you will fill out a google form with your quizlet username (as it is not always easy to figure out who the student is based on the username).

Feel free to review these sets more often if you'd like! Practice and repetition spaced out helps build long term memory!
