

Junior Kindergarten- Summer Reading

Welcome to Junior Kindergarten! We hope you are all having a SUPER GREAT summer vacation! We are so excited to meet all of the Superstars in the Fall, the first day of school will be here before we know it!

We have a summer reading assignment with a fun activity to complete before your first day in JK that goes along with the book I Like Me by Nancy Carlson. This book is all about having good feelings about yourself and even when you make mistakes, you can pick yourself up and try again!

1. Read the book with your Superstar

Ask your child questions about the story as you read: how do you think this pig feels? Why do you think she is so happy? Tell me about a time when you had fun with your friends... Get your child engaged in the story with some conversation starters.

2. Follow Up Activity

Children may create a star shape using any type of material. They may add glitter, jewels, stickers, photos, etc. Get creative with it and have fun! This star will help us and the other Superstars get to know your child.

****Please bring the star on the FIRST DAY of**

JK!
