2023-2024 INTERNAL AUDIT INTENSIVE REVIEW

Focus: IT Penetration Testing

ACTION PLAN

RECOMMENDATIONS

Number	*Comment*	*Response and Implementation Date*
1	While no recommendations were noted in the report, the district's Director of Technology, along with the district's IT data services provider, have recommended contracting for IT penetration testing on an annual basis as a component of the district's comprehensive cybersecurity program.	**Status: Completed, May 2024.** Beginning in the 2024-25 school year, the district will contract for a third-party IT penetration test.
