OVERVIEW

2014-2015

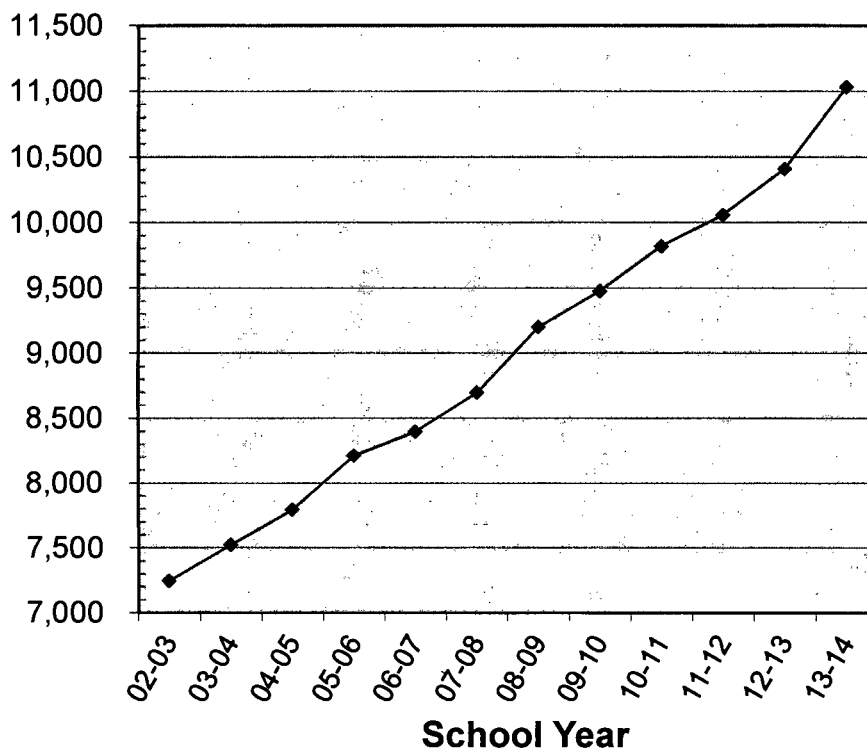

BUDGET OVERVIEW

One of the by-products of the budgeting process is the opportunity for the District to communicate to the community, staff and students some of the District's strengths and challenges in an environment that promotes trust.

Growth

The District continues to experience growth in student enrollment and average daily attendance (ADA). The preliminary enrollment projections for the 2014-2015 school year continue to trend upward. ADA for the 2013-2014 school year increased over the 2012-2013 school year by 5.97 percent. The District experienced an average annual rate of growth in ADA for the five year period beginning with the 2009-2010 school year and ending with the 2013-2014 school year of 3.72 percent. The chart below provides a visual depiction of the District's ADA statistics for the past twelve years.

Average Daily Attendance

Increasing enrollment can be seen as a signal that the community is a vibrant place where families want to reside. It also is an indicator that the constituents of College Station ISD want their children to be a part of the District. Every effort is made by the District to provide a safe and healthy learning environment that encourages academic, social and emotional success for each student.

Property Values

The total taxable value of all property within the boundaries of the District continues to increase slightly. The 2014 certified tax roll indicates that the freeze adjusted taxable value of property within the District increased by 7.22 percent over the same category in 2013. The District has experienced an average rate of increase in freeze adjusted taxable value of 4.23 percent over the previous five years. This is a key factor for the District to continue its ability to generate revenues to fund its debt service.

Freeze Adjusted Taxable Property Values

Legislative Scenario

The 83rd legislature of 2013 replaced \$1.4 million of the College Station ISD reductions brought about when the 82nd Texas Legislature approved what equated to a \$7.2 million reduction in funds to CSISD for the 2011-13 biennium. This minimal addition equates to a recovery of less than twenty (20) percent of the lost state funding.

Future Vision from a Budget Perspective

The vision for the current budget development process has been to provide adequate resources to support the success of current students while at the same time placing the District in a financial position so that future growth needs can be met to support the success of future students.

The need for future construction of new campuses continues to be a focus of the District. A direct result of this was the successful passage of the \$83.5 million bond election in November of 2013. The District's new ninth elementary, a replacement building for the Center for Alternative Learning, and improvement projects at Rock Prairie, AMCHS, and CSMS are scheduled for construction in fiscal 2014-15. Construction projects nearing completion in fiscal 2013-14 are the Security Vestibules at five campuses as well as improvement projects at Rock Prairie and Creek View.

The failure of the 83rd state legislature to reinstate all lost revenues from the 2011-2013 bienniums continues to be monitored by the Board of Trustees and CSISD management. This may result in reductions in discretionary programs, less individualized student support and even larger class sizes. The district currently has the debt service flexibility to build new campuses, but may not have the cash resources necessary to operate new school facilities.

Human Resources

The proposed budget includes a 1.8% salary increase for all employees while the district's contribution to the employee's health insurance program will remain at \$363 per month. This complies with the state mandate of one no-cost employee only insurance plan. The monthly contribution is available to employees regularly scheduled to work 20 or more hours per week. In addition, beginning in fiscal 2015, CSISD will contribute to TRS 1.5% of the state statutory minimum salary (SSMT) for all applicable SSMT employees plus 1.5% of the total salary for all non-SSMT employees.

The 83rd Texas Legislature approved an increase deduction for each TRS eligible employee's gross salary for retirement from 6.4% to 6.7%. The district approved the 1.8% salary increase in an effort to mitigate the employee's additional TRS contribution for the 2014-2015 school year.

Additional personnel positions have been added to meet the state required maximum student to teacher ratio of 22:1 in elementary classrooms. Personnel units were added to grades 5-8 campuses to increase teacher initiated intervention activities for our at-risk students. New personnel units were also added to College Station High School to continue to create educational opportunities for all students as CSHS receives its first senior class this year.

Proposed Tax Rate

The proposed total tax rate of \$1.38000 per one hundred dollars in taxable property valuation is comprised of the following components:

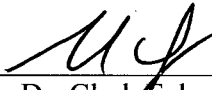

Maintenance and Operations	\$1.04000
Debt Service	<u>0.34000</u>
Total Rate	<u>\$1.38000</u>

This proposed tax rate represents 4.55% change from the tax rate for 2013. This compares to tax rates for the last few years as follows:

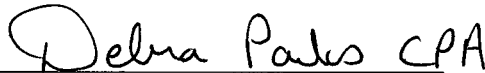

<u>2006-07</u>	<u>2007-08</u>	<u>2008-09</u>	<u>2009-2010</u>	<u>2010-2011</u>	<u>2011-2012</u>	<u>2012-2013</u>	<u>2013-14</u>
\$1.48000	\$1.24105	\$1.22105	\$1.25341	\$1.30993	\$1.33503	\$1.33503	\$1.32000

Acknowledgments

We appreciate the continuing support of the College Station Independent School District Board of Trustees, and the community, for continuing to make resources available to the District to facilitate the success of each student. Our pledge is to be good stewards of the resources entrusted to us as we develop, implement and maintain excellent educational opportunities to meet the unique needs of all students of the College Station Independent School District.

For homeowners over age 65, property taxes are frozen at the dollar amount they were in the year the homeowner first became eligible for the over age 65 exemption. In addition to the standard exemption noted above, over age 65 homeowners also receive an additional \$5,000 local and \$10,000 state over age 65 exemption. This means that unless new improvements are added to an over age 65 homestead, taxes will not increase due to revaluation or tax rate increases.

The average residence value in the District in 2013 was \$232,501. Average home value in 2014 was \$241,614. This represents an increase in the average value of 1.04 percent.
