Enroll prior to the first day of class so your class won't be cancelled due to low enrollment.

Tuition is due at the time of enrollment.

We offer training solutions.

Great Plains Technology Center can deliver expert computer software training *when you need it.*

We identify specific skills needed to improve the proficiency of your employees and then develop customized training to meet those needs. We're ready to help. Give us a call!

For more information call 580.250.5502 and ask about our customized contract training for businesses, or email: pmorris@greatplains.edu.

Business & Office

Bookkeeping

This course is designed for students with no prior knowledge about accounting or finance, and addresses accounting terminology, revenue, expenses, net income, accounting equation, debits, and credits. Learn how Accounts Payable and Accounts Receivable affect financial health, and how to read financial statements, balance sheets, income statements, and cash flow statements. This course will prepare you for the INTUIT Bookkeeping Certification Exam. Text included

48 hours **\$395**

8/14-10/9 M/W 6-9pm BIZ04/1

QuickBooks

QuickBooks is the most well-known bookkeeping software on the market. Intuit, is phasing out QuickBooks Desktop and introducing QuickBooks Online, a cloud-based subscription service giving users the freedom to work from any device. Those new to QuickBooks or transitioning from QuickBooks Desktop will find this course invaluable. Bookkeeping is a good companion to this class for a more in-depth understanding of business accounting. Text and flash drive included.

30 hours **\$365**

8/19-9/23 M/W 6-9pm BIZ11/1

10/2-12/9 M/W 6-9pm BIZ11/2

Full-time, day-time option available:

Medical Office Administration– starts each August for high school students, and each August and January for adult students-Lawton

See page 23 for details or call 580-250-5535.

Child Care

Early Education-Pathway to Your National Credential

Childcare workers are not babysitters; they are early childhood educators. The Child Development Associate (CDA) is a national credential required for early care and education providers. Students wishing to pursue the CDA must have a high school diploma or equivalent. You will gain the skills to nurture children in terms of emotional, physical, intellectual, and social development. Class assignments require interaction with children in a childcare setting. Ideally, a student will work at a childcare facility, or be able to volunteer. Students must complete a portfolio which includes extensive writing (typewritten) assignments. Scholarships are available, call 1-866-343-3881 or visit www.okhighered.org/secc to see if you qualify. This online program is in partnership with Caddo-Kiowa Technology Center. Basic Windows navigation skills is highly recommended. In order to be employed in Oklahoma at a licensed childcare facility, you have to be able to pass a background check/sex offender registry check. Textbook included with Unit 1.

Unit 1 Online 10 hours \$95 CCC01/1

Unit 2 Online 10 hours \$55 CCC02/1

Unit 3 Online 15 hours \$83 CCC03/1

Unit 4 Online 30 hours \$165 CCC04/1

Unit 5 Online 25 hours \$138 CCC05/1

Unit 6 Online 15 hours \$83 CCC06/1

Help is just a phone call away.

If you're about to enter the job market, stop by the Student Resource Center in Room 111 in Building 100 to speak to our Employment Advisor for help with resumes, interview skills, and job applications. Employment assistance services are available to all current students and alumni.

For questions or to set up an appointment, call 580-250-5684.

Motorcycle Rider

Basic Rider Course

This Motorcycle Safety Foundation (MSF) sponsored course covers the basic step-by-step fundamentals of motorcycling. Successful completion of this course satisfies the DOD MSF card requirement. Successful completion waives the Oklahoma written and driving test to obtain your motorcycle "L" endorsement on your license. Anyone under the age of 18, by law, must complete an MSF course to get their "L" endorsement on their license. Also, if over 18 and never had a driver's license or are between the ages of 14-16 you must appear before a Driver's License Examiner and take a vision and Class D general knowledge test. Anyone under 16 will have to apply for a learner permit for a minimum of 30 days. Students 14-17 must have their legal guardian attend the first-class session to sign a consent form. Training motorcycles are provided. Students must wear a long-sleeved shirt, long pants, over-the-ankle footwear, full-fingered gloves, and an approved helmet (which we provide if you don't have one). The ability to ride a bicycle is required. E-course and E-text included in tuition.

The following classes meet Fridays 6-9 p.m. and Saturdays and Sundays 7 a.m. to 3:30 p.m.

7/12-7/14	19 hr	\$175	PUB04 1

10/28-12/11 M/W 6-9pm 30 hr \$179 GNL37 1

Drafting Your Own Will

Almost everyone can benefit from having a last will and testament. But going to a law firm to have a will drawn up can be expensive! The first half of this course will provide you with the detailed knowledge of what wills do, whether or not you need one, and how to make sure your will survives a legal challenge. The instructor also teaches how to draft a will, so that after the class students will be empowered to draft their very own will. During the second half of the course, students will have the opportunity to draft their will with the instructor available for questions during the drafting process. This class is presented via Zoom. Must have Zoom capabilities.

9/30 M 5:30-9:30pm 4 hr \$25 GNL 98 1

Drone: FAA 107 Prep Course

Drones are the newest trend for fun and professional use! In order to fly your drone under the FAA's Small UAS Rule (Part 107), you must obtain a Remote Pilot Certificate from the FAA. This class will prepare you for the FAA's "Part 107" exam. This certification is required for all commercial S-UAS (drone) operations. The course will cover airspace rules and regulations, general small aircraft knowledge, flight safety, aeronautical charts and more. The course will include a study guide and practice exams and is taught by a certified remote pilot. (No drones will be flown in this class.) Textbook included.

9/10-9/19 T/Th 6-9pm 12 hr \$95 GNL07 1

11/12-11/21 T/Th 6-9pm 12 hr \$95 GNL07 2

Forming an LLC

Are you self-employed or working a side business or part-time gig in addition to your job? If so, your personal assets may be at risk! Do not let your business result in personal liability! This class will teach students the benefits of Limited Liability Companies (LLCs), how to form an LLC, and how to operate an LLC once you form it. For years, students who have taken this course have said that forming their LLC has been the cheapest insurance they have ever gotten! Come learn how this business entity structure can save your personal assets from a business liability. Class is presented via Zoom, must have Zoom capabilities.

8/26 M 5:30-9:30pm 4 hr \$25 GNL 97 1

Hardscape Design & Installation

This course provides an exploration of hardscape design and installation, focusing on the planning, design, and implementation of outdoor structural elements. Participants will learn the principles, techniques, and best practices for creating visually appealing, functional, and enduring hardscape features that enhance the beauty and usability of landscapes.

10/21-10/23 M/W 5:30-8:30pm 6 hr \$49 GNL96 1

Landscape Design

This course explores the art and science of landscape design, providing participants with the foundational knowledge and practical skills necessary to conceptualize, plan, and implement stunning outdoor spaces. Through a combination of lectures, hands-on design exercises, and real-world case studies, participants will explore the principles and techniques that support successful landscape design projects.

9/16-9/25 M/W 5:30-8:30pm 12 hr \$75 GNL94 1

Lawn Maintenance

This course offers an overview of lawn maintenance techniques, focusing on the principles and practices necessary for achieving and maintaining a healthy, vibrant lawn. Participants will learn essential skills and strategies for cultivating lush, green lawns through proper care and maintenance.

7/22-7/24 M/W 5:30-8:30pm 6 hr \$49 GNL93 1

Learn English

This course is designed for people who have limited English skills. If you need to learn English as a second language, we begin at the beginning. Students will learn proper grammar, pronunciation, phonics, and vocabulary. You will begin to make full sentences and you will understand what you are saying! There will be games, songs, and videos during class. Students will also work hard to practice the lessons verbally and on paper. Textbook included.

7/16-9/10 T/Th 5:30-8pm 40 hr \$219 PRD03 1

10/1-12/5 T/Th 5:30-8pm 40 hr \$219 PRD03 2

Mastering the Landlord-Tenant Relationship

The relationship between landlords and tenants has never been more scrutinized than in the past few years. With over 100 million tenants renting throughout the US, understanding your rights and responsibilities as a landlord and as a tenant is critical. This class is taught by a lawyer who manages his own rental properties. In addition to answering as many questions as possible, this class will cover Oklahoma's Landlord Tenant Act, what a "good" lease might include, what the eviction process looks like, and some practical tips for maintaining a good relationship between landlords and tenants. Class presented via Zoom, must have Zoom capabilities.

11/18 M 5:30-9:30pm 4 hr \$25 GNL100 1

Enroll early to avoid cancellations.

Personal Enrichment

Resin Art

Gift yourself or a loved one a handmade, one-of-a-kind treasure. Students will choose from three project options: chess set, dominoes set, or coasters set. All required materials are provided, but students can bring their own small, flat items to set in the resin to make them extra special. Ideas include pressed flowers from a special garden, travel mementos such as tickets or postcards, small jewelry. The possibilities are endless. Tuition includes supply cost.

Discounts apply to tuition only.

9/9-9/11	M/W 6-8pm	4 hr	\$45	GNL88 1
11/4-11/6	M/W 6-8pm	4 hr	\$45	GNL88 2

Stained Glass for All Levels

Creating stained glass designs allow your creative mind to run wild! You will be introduced to numerous different materials and taught a variety of techniques from basic to advanced levels. You will learn everything to design your project including cutting glass, assembly, construction, and finishing. If you already have some skills, bring them with you and pick up some new ideas or refresh some old ones. Learn tips and tricks to get that project moving a little quicker. All are welcome! Tuition includes supply cost. Discounts apply to tuition only.

The Bare Bones of Taxidermy

This class is an introduction to the world of taxidermy. Learn what taxidermy is and how to further your education in this art. Discover the many different types of taxidermy, see a few examples, and participate in a question-and-answer session.

10/3	Th 6-9pm	3 hr	\$25	GNL89 1
11/7	Th 6-9pm	3 hr	\$25	GNL89 2

Trusting Trusts for Your Estate Plan

Most Americans who own a home, a car, or another titled/deeded asset can benefit from a trust. Anyone who wishes to help protect or control their assets during life and after death can benefit from a trust. But what kind of trust does one need? What are the tax implications of a trust? Can someone change their trust after it is created? Can someone else change my trust after I die? People are full of questions surrounding this area of estate planning, and many of the beliefs and information readily available are simply not true. This course will teach you the basics of trusts, such as what a trust is, how it works, the benefits of trusts, and the major types of trusts. The instructor for this course is an experienced attorney who will answer your questions and help you better understand these estate planning tools. This class is presented via Zoom, must have Zoom capabilities.

Professional Development

ACT Prep Course

Do you want to gain confidence in the four components of the ACT test? This course will review terminology, and concepts and provide you with test-taking tips. Students will become familiar with the test structure through practice tests and together with this course will help to identify their strengths and weaknesses and will better prepare them for what to expect on test day. Textbook required. Textbook included.

9/24-10/10	T/Th 6-8pm	12 hr	\$115	PRD01 1
11/5-11/21	T/Th 6-8pm	12 hr	\$115	PRD01 2

Adult Education & Family Literacy (AEFL) Prep Courses, formerly GED.

Call 580-250-5639 for information.

Prerequisite Testing

Don't think you need that prerequisite class? Challenge the requirement by testing for Medical Terminology and Math for Health Occupations. Enroll and test in the Student Resource Center in Building 100 Room 111.

2 hr	\$9

Special Education Paraprofessional Training

Do you have that special touch? Assist in the special education classroom by working with students with disabilities. Paraprofessionals provide support in the classroom or in community-based education settings; assist the teaching in implementing the IEP; provides safety, health related, and personal care supports to enable a child to access the educational program. This training meets one of the requirements needed to obtain SEP Registry status in Oklahoma. This course does NOT prepare you to take the Parapro test. A high school or high school equivalency diploma is required. You must attend all 24-hours of this course. No discounts are eligible. Textbook included.

Emergency Medical Technician (EMT)

Providing emergency care to patients in their time of need is exactly what an Emergency Medical Technician (EMT) does every day. Classroom and clinical experience are combined to provide what you need to obtain your certification. A minimum of forty clinical hours are required in addition to 216 hours of class time. Background checks will be conducted for all students. Shot records and/or titers are required at the start of class. Additional costs include PPD, drug screen, black EMS uniform pants, black boots, and other supplies. The PPD and drug screen deadline will be given by the instructor when class begins. You must be at least 18 to take the national certification exam, which is \$104, as well as the Oklahoma State EMT Certification fee of \$85 (prices subject to change). Textbooks included.

11/12-6/12 T/Th 6-10pm 216 hr \$1,100 PUB08 1

First Aid & More

Feel confident in an emergency! Get certified in First Aid through American Heart Association in this short class. The student manual cost and the certification E-card are included in the tuition. Newly added to this class is STOP THE BLEED and Narcan Education and Training. You will learn three skills that can mean the difference between life and death during a bleeding emergency as well as how to recognize an opiate related emergency and how to treat it. You will receive certificates for both STOP THE BLEED and Narcan Education and Training along with your very own Narcan.

Paramedic

The Paramedic Course is accredited program through the Commission on Accreditation of Allied Health Programs (CAAHEP) upon the recommendation of the Committee on Accreditation of Educational Programs for the Emergency Medical Professions (CoAEMSP). Students are introduced to the world of paramedicine, learning the roles and responsibilities through the review of medical, legal, and ethical issues, as well as the foundations in pathophysiology, pharmacology, patient assessment, advanced airway management, medication administration, trauma, cardiology, and numerous medical issues. In the classroom, students are prepared for introduction to the clinical setting, where they will be exposed to actual patient contact in operating rooms, critical care, emergency rooms and other clinical settings as well as in an ambulance service with a paramedic. The course begins in August each year. For more information, go to www.greatplains.edu. Under "Short Term Classes," click "Emergency Medical Services." This will take you to the application process and more information about the course. Prerequisite: EMT licensed. Textbooks included.

Notify staff at the time of enrollment in order to receive discount. No discounts or refunds will be awarded after enrollment is complete. Only one discount per class.

Interested in Paramedic training?

Call us at 580-351-6762 for details or visit <https://www.greatplains.edu/short-term-classes/ems> for more information.

Security Guard

Security Guard Phases I & II

Take the first step toward obtaining your security guard license. CLEET requires that students attend all units of instruction so full attendance is mandatory. This phase of training is related to the tasks of an unarmed security guard. Learn about public relations, fixed post duties, patrolling, and investigation of security incidents. Security guard license applicants must successfully complete Phases I and 2 before testing, then apply with CLEET to gain licensure. Certain crime convictions may disqualify a person from obtaining or holding an unarmed or armed security guard license. You must be 18-yrs old to become licensed as an unarmed security guard, and twenty-one to become licensed as an armed security guard. More information about licensure may be found at www.ok.gov/cleet. Click on Licensing then Security Guard. Textbook included.

8/13-9/26 T/Th 6-9pm 42 hr \$315 SGT01 I

Full-time, day-time option available:

Criminal Justice Officer starts each August; high school and adult students—Lawton

See page 24 for details or call 580-250-5535 (Lawton).

Phase III Private Investigator

This compelling class, combined with Phase I basic, is the training you need to obtain your unarmed private investigator license. Learn about client responsibility, complying with various laws, conducting investigations, locating information and surveillance. Certain crime convictions may disqualify a person from obtaining or holding an unarmed or armed security guard license or a private investigator license. Textbook included.

10/29-12/12 T/Th 6-9pm 36 hr \$235 SGT03 2

Great Plains Technology Center offers two options to get a high school diploma or equivalency.

S.C.O.R.E.

The SCORE (School of Opportunities and Real Education) program was established in 1995 to help reconnect students ages 16-20 to a high school education. It is a dropout recovery/alternative education program that has allowed over 1,000 students to earn their high school diploma while also having the opportunity to complete career technology education.

Academic areas include English, Math, Science, Social Studies, and elective courses. Life Skills classes are designed to help students prepare for the "real" world. Class sizes are 15 students or less so that students have more individual instruction and help from teachers.

For more information, please call SCORE Director Blake Thomas at 580-250-5620 or email: blake.thomas@greatplains.edu

High School Equivalency (HSE) Diploma

Adult Education and Family Literacy Program located in Building 200 is for students 16 and older wanting to obtain their high school equivalency diploma (formerly known as GED).

- Free Classes
- Work at own pace.

For more information, call Adult Education at: 580-250-5639 or 580-250-5538 or email: estuck@greatplains.edu

Fulltime Career Programs—Lawton

Architecture & Construction

Learn to draft, design and plan for construction, remodels, additions and repairs in either **Residential HVAC Technician**, **Carpentry Levels I & II**, **Construction Trades**, or **Electrical Level I** career programs. HOW DO I ENROLL?

Visit: Building 100, Room 111—Office hours are Monday through Thursday 8:00 a.m. to 6:00 p.m., Friday 8:00 a.m. - 4:15 p.m. in Lawton

Or visit 2001 E. Gladstone, Frederick, OK 73542

Phone: Lawton—580.250.5535 • Frederick—580.335.5525

Fax: Lawton—580.250.5677 • Frederick—580.335-2209

Please note: textbooks are now included in the cost of tuition.

Find a coupon for \$10 off a part-time evening class at: <https://www.greatplains.edu/short-term-classes>. Some restrictions apply.

Enrollment Guidelines – Evening Classes

- You must be at least 16 years of age to enroll in Adult Career Development classes.
- Tuition is due in full at time of enrollment.
- Enrollment is on a first come, first served basis.
- Class space is limited.
- Early enrollment helps keep classes from being cancelled.
- Textbooks are NOW included in the price of tuition.

Cancellation Policy

Classes are cancelled when enrollment is below the minimum number of students required to hold the course.

Inclement Weather

Great Plains will decide by 7:00 a.m. if full-time daytime classes will meet, and by 2:00 p.m. if evening classes will meet. Announcements will be made on local television and on our social media pages.

Refund Policy-ACD Classes

- 100% refund— prior to the course start date.
- 50% refund— within first two days after course start date.
- 0% refund—3 days after course start date and thereafter.

Discounts

- Persons age 60+ – 50% off tuition on most ACD classes.
- Public school employees – 50% off tuition on most ACD classes.
- Discounts cannot be combined.

Special Accommodations

If you require special accommodations due to a disability, contact Kristy Barnett at 580.250.5531.

Reciprocity Agreement

In accordance with the State Board of Oklahoma CareerTech, students enrolling in a part-time class who currently reside within a district served by an Oklahoma Technology Center may enroll at the rates published in this catalog. Any student who does not live within a technology center district will be charged twice the published rate.

Students enrolling in full-time adult programs who do not reside in the Great Plains Technology Center district will be charged the published tuition plus a \$1,000 out of district fee.

Financial Aid

A limited number of Great Plains Foundation Scholarships are available. Scholarship applications are available in Building 100, Room 107. Applications can also be downloaded at: www.greatplains.edu/student-resources/financial-aid/

Veterans Education and Training Benefits – we can assist you in filing a claim for education benefits with the Department of Veterans Affairs. Pell Grants are available for full-time programs for those who qualify. **Note: All students receiving VA benefits must attend 100% of all clock hours to receive education benefits.**

Financial Aid questions may be directed to the Financial Aid Coordinator, phone 580.250.5534.

Recent high school grad?

You may qualify for a \$2100 Dr. George Bridges Next Step Scholarship. The Dr. George Bridges Next Step Scholarship is a one-time tuition scholarship. The scholarship is good for ONE full time program tuition. The scholarship is good for 1 year from the date of high school graduation. Please see our website for more information about applying. www.greatplains.edu

A group of five students, three men and two women, are standing in a workshop or industrial setting. They are all wearing safety gear, including hard hats and safety glasses. The student on the far left is wearing a maroon shirt and dark pants. The student next to them is wearing a light blue denim shirt and jeans. The student in the middle is wearing a maroon shirt and jeans. The student next to him is wearing a black shirt and jeans. The student on the far right is wearing a red shirt and jeans. They are all looking towards the camera. The background shows various industrial equipment and a brick wall.

#CERTIFIED

Great Plains Technology Center students earned 846 industry-endorsed certifications last year.
