

Title I Comparability Policy

To meet the comparability requirements contained in Title I Assurances, it shall be the policy of the Fargo Public Schools Board to adhere to the following:

1. Maintain equivalence among schools in the allocation of teachers, administrators and non-instructional personnel;
2. Maintain equivalency among schools in the provision of curriculum materials and instructional supplies;
3. Maintain a district-wide salary schedule; and
4. Allocate all resources to schools on an equitable basis based upon the projected student enrollment for the ensuing school year, the grade level of the school, the unique needs of the specific school community and the instructional program to be served.
