

Dear Families,

Welcome to **8th** grade at **Millsboro Middle School!** We come together with diverse backgrounds but a common goal: to make this year your child's best yet. Our focus is on maintaining each child's self-esteem while building on their previous skills and developing new ones. We aim to help your child become more independent and develop the problem-solving skills necessary for a smooth transition to high school.

Here's how you can support your child throughout the school year:

1. Celebrate your child's successes, no matter how small. This will keep them enthusiastic about learning and proud of their accomplishments.
2. Keep track of your child's academic progress through the Home Access Center and Progress Reports.
3. Reach out to us at the school at (302-934-3200) if you have any questions or concerns.

Eighth grade is a crucial time in your child's life. They will encounter challenges both inside and outside the classroom. As the oldest students in the building, they will be looked up to for leadership throughout the year. We are confident that we will meet and exceed these expectations together.
