# Alma Mater

## Verse:

Where the purple snow-capped mountains  
Reach the clear blue sky  
Lies our cherished Alma Mater  
Our dear Redlands High.

## Chorus:

Alma Mater, Alma Mater  
Deep graven in each heart!  
Our loyalty, unwavering, true  
When e'er from you we part.

## Narration:

There, beneath the God-made heavens,  
Beautiful both night and day,  
Lies our school, our Alma Mater,  
Which so inspires us that we say,  
“In our hearts we love thee dearly,  
In our minds thou are firmly set.  
Though we must leave thee sometimes forever,  
Thee we shall never forget.”

## (Chorus)

## Pursuit of Happiness

By Ryan Downing

Who am I,  
A question we all ask,  
It's one of the easiest-hardest tasks,  
Along this eternal adventure that we call life, there are many bright and enlightening sights.  
It may get rough on this trial of tears,  
But just keep going and have no fear.  
Expand your mind and be the best you can be, the pursuit of happiness will soon be a vision to see.  
Yet life is like the sun, it may go up and it may go down,  
No matter how you feel, the earth will always spin around,  
But even in the night, there will still be light.  
As the wise one is awake I realize one thing, I've become the best intellectual I can be,  
Living on this land I seek another peak,  
If you follow the herd you will never be unique,  
So the wise one doesn't follow as he sits back and laughs,  
He makes an executive decision and doesn't follow the right nor left path,  
He follows his heart, finds the brightest star in the lit up sky,  
He creates his own path that no one will ever find,  
So he is now on the journey of the divine,  
So with no confine he speaks to himself,  
The pursuit of happiness has now become mine.
