

Ready to Start Preschool?

Start with Compass!

Our goal is to provide our students with a solid foundation of academics, character and faith to launch them on a path toward a self-sufficient, service-driven life as inspirations to their families and communities. Our programs form character and inspire growth in students' knowledge and skills.

Christian Preschool

Compass Educational Programs offer full and half day Christian preschool in a safe, loving and fun learning environment. Our preschools focus on educating the whole child through varied, purposeful and experiential learning. The students are consistently reminded of the unconditional love of God and build strong Christian character through our unique, Bible story-based curriculum. You'll find an affordable and friendly solution for your family, close to home. We are currently serving children ages 3-5.

Warm and welcoming care conveniently located on school campus

Affordable, safe and friendly Christian programming

A safe, supportive and fun extension of your home

Our Programs Support Healthy, Whole-Child Development.

- Spiritual
- Emotional & Social
