

# SUMMER READING BINGO

Dear Parents and Guardians,

Happy Summer! We are excited to implement a new reading activity for your incoming 3rd grader. The Summer Reading Bingo is designed to encourage students to read a variety of books and genres, promoting both literacy and a love for reading while on summer break. By completing challenges on a bingo card, students will engage with different types of literature, expanding their horizons and fostering a lifelong passion for reading. **Students should complete the entire bingo card and bring it back with them during the first week of school.** If an activity requires a picture, please print the picture and attach it with the bingo card.

Thank you and happy reading!
