## WE ARE WESTMINSTER WE ARE ONE!

End of Year  
2023-2024

# From the Principal's Desk

## WHS

June 10, 2024

WHS Families,

It is hard to believe that the 2023-24 school year is coming to an end. I would like to thank the students, staff, and parents for making this an outstanding year at Westminster High School. I am proud of what our students have accomplished in the classroom, on the field, on the stage, and in the workplace.

As with every end of the school year, we say goodbye to our graduating seniors. They have achieved great things in their years of schooling. They left their mark on WHS and made it a better school for all of us that remain. We will miss all our Owls who are leaving the nest and wish them the best of luck in their future endeavors.

Schedules will be available in Home Access this summer starting around August 1st. We have counselors available on a limited basis during the summer to help with any scheduling needs or issues. Please call the counseling office at 410-751-3636 to schedule a meeting with your counselor. As a reminder, there are only a limited number of reasons to request a schedule change. The procedures for requesting a schedule change can be found on the WHS webpage at [Scheduling and Course Selection - Westminster High](https://www.carrollk12.org/scheduling-and-course-selection) (carrollk12.org)

The construction at the Career and Tech Center that has blocked the back drive for the last two years should be wrapping up this summer. This will impact traffic patterns and parking at WHS for the next school year. Once we have confirmation of the road re-opening, we will finalize the new traffic pattern and share this information, along with maps, so that everyone can be prepared. I encourage all students to ride the bus, if at all possible. Parking spaces will continue to be limited next year, so parking on campus is permitted for **Juniors and Seniors ONLY**. Parking passes will go on sale this summer starting in July. More detailed information is included in this newsletter.

We will again be offering summer open house tours for incoming 9th graders and any new students. These are great opportunities for students to come into the building to walk through the school, find their classrooms, and speak with current students about all that Westminster has to offer. The tour dates are listed on the following page of this newsletter.

I encourage you to maintain communication with the school by checking your email regularly, as well as calling or e-mailing the school when you have questions. Our [website](#) is updated regularly during the school year and can be an excellent source of information. We wish each of you a safe and enjoyable summer break and look forward to seeing you back in September. The first day of school for the 2024-25 school year is September 3rd. We will see you all then!

Sincerely,

Katie Nefflen

Principal

## **HEALTHROOM INFORMATION**

### **Medication During the School Day:**

In order for a student to receive medication during the school day, a CCPS medication form signed by a licensed health care provider must be provided each school year. A signed order form is required for both prescription and over-the-counter medications. Please review the forms carefully for details related to medication procedures and contact the school nurse with any questions. [CCPS Medication Form](#) and [Allergic Reaction Emergency Plan & Medication Orders](#)

### **Returning to School After Injury or Illness:**

If your child sustains an injury over the summer and requires the use of assistive devices (crutches, etc.) and/or use of the elevator, please have their health care provider provide documentation describing the accommodations needed along with a start and stop date. If your child is enrolled in a Physical Education class and requires modifications, the [CCPS Physical Education Modification](#) letter should be completed by a health care provider and submitted to the school nurse.

### **WHS Provides Online Donation Initiative for Parent and Community Support**

Westminster High School would like to thank our students, parents, and Westminster community for being partners in our student's learning. We are proud to represent a community that values the ever-changing needs and demands of our high school students. With the support of our friends and neighbors like you, our students have shown consistently high academic achievement and are able to enjoy a broad array of extracurricular activities.

We're happy to share that students, families, and community members can assist with the many needs of our students and faculty through a MySchoolBucks online donation page. School donations are used to cover clothing and school supplies for students in need, faculty appreciation, and much more. Our success depends in large part on the support of the local community we serve. Your contribution will be essential for us to expand the learning opportunities available for our students.

Thank you in advance for your support. Visit our donation page at [https://www.myschoolbucks.com/ver2/prdembd?ref=ZZHVZLQ2RN05854\\_ZZ5XK7TK07ITU74](https://www.myschoolbucks.com/ver2/prdembd?ref=ZZHVZLQ2RN05854_ZZ5XK7TK07ITU74) to get started.

# CONSENT AND RELEASE

## Permission to Photograph, Videotape or Audiotape

Throughout the school year, the Carroll County Public School System frequently covers school activities and may use your child's photograph, video image, or voice for educational, informational, or public relations purposes, with or without identification by name.

If you do not wish to have your child's voice reproduced on tape or to have his/her image appear in such things as a video or a photograph, or on the school or school system website or social media, please notify the school principal in writing. It is assumed that parents and guardians consent to their children being audiotaped, photographed, videotaped, or having their image placed on a school website or social media by the school system unless such notification is received.

There are also occasions when the media cover certain school events (such as when a government leader visits a school). If you do not wish to have your child's name or likeness published by the media, you should address your concerns directly to the school involved so that the media is so advised. Please be advised that the school system has no control over the media when they are covering activities such as sporting events and musical programs that are open to the public.

## Use of Student Work on Websites or in Publications

There may be times throughout the year when the Carroll County Public School System wishes to display student work on school websites, social media, or in publications. If you do not wish to have your child's art, poetry, writing, etc. appear on school websites, social media, or in publications, please notify the school principal in writing. It is assumed that parents and guardians consent to their child's work being displayed on school websites, social media, or in publications unless such notification is received.
