

ATTENTION 5th GRADERS!!!!

Somers Summer Math Incentive

Your math teacher will give you a paper copy of the “I-Ready Grade 5 Mathematics at Home Math Activity Packet” along with emailing it to you and your parents.

If you complete the packet over the summer, you will be included in our CELEBRATION when you come to Somers in August as a 6th grader!! At the celebration, you will receive:

A certificate of completion

A Chick-Fila sandwich

A free homework pass for your math homework

40 PBIS Points to be used in our PBIS Activities

Pencils & candy

To be eligible, you will need to bring the completed packet to your new math teacher at Somers the first week of school!

Show us you are ready for middle school by completing these lessons over the summer and then join in our CELEBRATION of your success!!
