

Welcome to 3rd Grade

Hello parents!! I hope you all have plans for a fun and relaxing summer. I know that the school year has yet to end, but I am already planning for next year. With that being said, I would like to give you all a heads-up on the supplies your wonderful 3rd graders will need. This way you can keep an eye out and buy them when you find a great sale.

I also want to remind you how important reading is. Please have your students practice their reading daily. Reading is like any sport....It takes lots of practice to excel. The more your child reads, the better they will become!

I am excited for the new year, and cannot wait to start this journey with you and your child.

Supply List

- Colored Pencils
- Crayons
- 10 Pencils
- Highlighter
- Glue Sticks
- Ream of Copy Paper
- 1 Notebook
- Clorox Wipes

- Computer Mouse (Extremely Important)

***In 3rd grade, we prepare and take the state exam at the end of the year....it is necessary for each student to have their own mouse and earbuds!!!**

I know how quickly supplies can add up, but I want to let you know that everything on this list will be used. I suggest taking advantage of the Back To School sales and getting extra items such as glue sticks, pencils, and colored pencils. Please label your child's items with initials if possible.
