Class of 2024, you are Livonia Pride!

FROM SUPERINTENDENT ANDREA OQUIST

Dear LPS Community,

Another school year draws to a close, and what a journey it has been! As we wrap up a year filled with electrifying events, memorable performances, and triumphant moments in the classrooms, on the stage and the field, the energy in our schools is palpable. Livonia Public Schools has once again proven itself to be a hub of activity, growth, and achievement.

In this edition of the Dialog, our spotlight shines brightly on our graduating seniors – the Class of 2024. Join us as we celebrate their accomplishments, their potential, and the bright futures that await them beyond our halls.

As I watched the Class of 2024 cross the graduation stage, I couldn't help but feel a tremendous sense of pride. Behind every confident step lies years of dedication from our exceptional staff, who have equipped our graduates with not just academic prowess, but with the character and values essential for success in any endeavor. Thank you to our LPS parents for entrusting your children to us for their educational journey.

Cast your mind back to 2016-2017, when our current graduates were just starting their journey into upper elementary school. It was then that we embarked on our Community with Character initiative – a bold endeavor to instill in our students the values that define not just good students, but good humans.

CONTINUED FROM PAGE 1

Today, these values are woven into the very fabric of our school culture. The eight character traits of Respect, Empathy, Grit, Mindfulness, Responsibility, Integrity, Confidence, and Reflection are universal in the world and particularly attractive to future employers. Through these traits, we emphasize the overarching importance of Respectful Interactions with others. Our students are encouraged and taught to embody these traits in every aspect of their lives, both within our walls and out in the wider world.

During a recent visit to a lower elementary school, students confidently referenced these characteristics while leading guests on a tour through their school. "This is our Character Trait for the month – Integrity..." one fourth-grader proudly announced while pointing to a large bulletin board filled with students' artistic and creative interpretations of the trait. A proud moment for this superintendent, to be sure! To see students confidently articulating the principles of Integrity, to witness their creativity on display as they explored these concepts was a testament to the transformative power of education.

This school year, we have intertwined our focus to incorporate our long-standing work on Diversity, Equity, Inclusion, and Belonging (DEIB) with our Community with Character efforts, to ensure every student feels a sense of belonging in our schools. This is embedded in our school culture here in LPS. We are a family – and every student and staff member should feel this sense of belonging as they navigate every day in Livonia Public Schools.

So, as I reflect upon the 2023-2024 school year, and on the 1,000 or so graduates in the Class of 2024, I hope that these tenets of being "a good human" will carry with each and every student after they leave LPS. My wish is that they shine their positive light on the world around them and proudly know that this village we call LPS has instilled the tools they need to venture out into the world and truly make a difference.

With gratitude and anticipation for the bright futures ahead,

Andrea Oquist

Superintendent

"I have been a part of LPS from kindergarten through my senior year. No district can compare to the amount of support and opportunities given by the staff and faculty throughout all of the schools. Students are provided with ways to be involved, stay connected, and make the most of life while also being shown how important education is. I am forever grateful to have been able to be a part of this incredible school district.

NEW LPS EARLY CHILDHOOD CENTER - 'A WORLD OF EXPLORATION'

A joyful and engaging place for young children to learn and grow. That's the idea and the dream behind the Livonia Early Childhood Center.

Rising from the 55-year-old former Dickinson school site on Newburgh, north of Six Mile, the ECC will open this fall as an all inclusive, state-of-the-art facility that will house early childhood programs including childcare and preschool as well as multiple special education programs for preschool-aged children.

"Every element of the design is child- and family-focused," said Superintendent Andrea Oquist. "From the 'mud room' areas at each entry, designed for ease of families during arrival and pickup, to the demonstration kitchen where children can develop their culinary curiosities, the new ECC will be a beautiful world of exploration for our youngest learners."

The 72,000-square-foot facility, designed by TMP Architects, has 28 classrooms for instruction, a library area, large motor skills area, a demonstration kitchen, mud rooms with cubbies and benches, built-in visual and sensory features throughout the building, four entry points, conference spaces for parents and staff meetings and, of course, outdoor play areas.

"This is a vision that our district has had for quite some time," said Oquist. "To see it come to fruition is just amazing and truly exciting for us. We know that this is a significant investment in our community, our school district and most of all, the children we serve."

The ECC is made possible through the 2021 bond issue that was approved by voters in May 2021. It is the first new-build in Livonia Public Schools in more than five decades.

As a "thank you" to the community, we invite residents to come and explore the new center during a Community Open House on Monday, July 15 between the hours of 10 - 11:30 a.m. or 5 - 6:30 p.m. Self-guided tours between these open house times.

Current programming housed at the Jackson Early Childhood Center will move to the new facility and the district will maintain the Jackson Center for other purposes.

A BIG THANKS TO OUR BOARD OF EDUCATION

Livonia Public Schools Board of Education is one of few in the State of Michigan to be named an Honor Board – meaning that all seven members are certified through the Michigan Association of School Boards. Our Board has received this high distinction for several years in a row. This is indicative of their willingness to go far above and beyond in their own professional learning and development as Board members.

Beyond being certified, our board members have continued their education and training through the MASB to achieve the following designations, based on the level of course work they have completed:

Board President **Karen Bradford** and Trustee **Tammy Bonifield** have achieved the level of Master Board Member. Board Vice President **Mark Johnson** and Board Trustee **Colleen Burton** have achieved the level of Master Diamond Board Member status, while Board Trustee **Crystal Frank** has earned the Award of Merit; and Secretary **Madeline Acosta** and Trustee **Liz Jarvis** have earned the Award of Distinction. Mrs. Jarvis also earned the Data Skills Specialty Award.

The result of their dedication to continuing these certification levels is school district oversight which focuses on strong fiscal stewardship, high expectations for student achievement and a deep commitment to the safety and well being of our students and staff.

We would like to thank each of our Board members for their truly dedicated volunteer service to our students, staff, and the community!

MORE THAN 1,000 STUDENTS MADE A DIFFERENCE!

There's nothing quite like seeing young students reach into their big hearts to help others in need.

The annual Livonia PTSA Council's Youth Making a Difference program enables hundreds of LPS students to do just that! This year, more than 1,000 students, on their own time, committed to a project that would help others -- whether it was raising funds for a local charity, making soft blankets for children who are in the hospital, or simply creating homemade greeting cards for local senior citizens. All of the projects were amazing and impactful throughout our community!

A big Thank You to the PTSA Council, for keeping this tradition alive and well in Livonia Public Schools!
