Accelerated Programs
K-8 Highly Capable Program Review Committee 2023-24
Date: June 4, 2024

Time: 4:30 AM – 7:30 PM

Location: LWSD Resource Center

Notetaker: Erin Fleshman/Myra Arnone

Agenda Item	Responsibility	Time
Welcome	Myra Arnone	4:30-4:45 pm
Notes: The objectives for the meeting included preparing for critical change, discussing innovation support, reviewing recommendations, generating questions about the DRAFT Committee Report, informing future partners, discussing next steps for 2024-2025, and celebrating the committee's efforts.		
Preparing for Critical Change	Dr. Tamra Stambaugh	4:45-5:15 pm
Notes: Dr. Stambaugh shared a video (removed for copyright purposes) on critical change. Committee members took time to reflect on the content and shared their thoughts in table groups.		
Review Examples and None-Examples for Recommendations	Erin Fleshman	5:15-5:45 pm
Notes: Examples and non-examples from the committee were reviewed and reflected upon in light of the four recommendations, which are: 1. Supporting social emotional needs, including a sense of belonging and self-esteem. 2. Providing alignment of identification and services for equitable assessment and programmatic evaluation. 3. Offering HiCap curriculum, PD, and coaches for staff. 4. Ensuring a vertical and horizontal continuum of academic services with evidence-supported grouping.		
Review of Final Draft of Report	Myra Arnone	5:45-6:25 pm
Notes: Committee members had individual reading and notetaking time to review the report. They were encouraged to write their questions and input in the form of questions. Discussions focused on whether the report effectively conveyed the committee's work and areas needing further research or exploration.		
Reflection and Closure/Messages to Share	AccPro Specialists/Dr. Jen Rose	6:25-6:45 pm

Notes: Committee members reflected on the essential messages from the day's work and shared them with the group. All committee members were asked to fill out a reflection form to guide future planning.
