TO: County Board of Education

FROM: Dr. Susan Salcido

SUBJECT: PROPOSED BUDGET

The proposed budget is presented to the County Board of Education for adoption. A clear separation is made between unrestricted and restricted monies. Uses for the latter are strictly limited. The budget for the Early Care and Education Program is accounted for separately in the Child Development Fund. Consistent with the Standardized Account Code Structure (SACS), the Early Care and Education Program is required to operate in a fund separate from the General Fund.

The data in this document reflects the most current financial information available. It is recognized that changes will occur that require adjustments to the adopted budget during the fiscal year.

Beginning Balance	29,217,463	33,286,222
Revenue	148,153,590	149,563,895

Ending Balance (a)	33,286,222	34,913,043

(a) Sufficient funds are necessary to meet cash flow requirements such as obligations incurred but not paid in the budget year ending June 30, meeting obligations of programs not fully funded by the state, advancing cash for programs that begin before funding is received, and other purposes that would entail the expense of borrowing if sufficient funds were not available. Protection against state funding deficits and other uncertainties beyond the control of the Santa Barbara County Education Office require the maintenance of a prudent level of contingency and reserve funds to insure the continuation of educational programs.

S8. Status of Labor Agreements

Analyze the status of all employee labor agreements. Identify new labor agreements, as well as new commitments provided as part of previously ratified multiyear agreements; and include all contracts, including all administrator contracts (and including all compensation). For new agreements, indicate the date of the required board meeting. Compare the increase in new commitments to the projected increase in ongoing revenues, and explain how these commitments will be funded in future fiscal years.

If salary and benefit negotiations are not finalized at budget adoption, upon settlement with certificated or classified staff:

The county office of education must determine the cost of the settlement, including salaries, benefits, and any other agreements that change costs, and provide the California Department of Education (CDE) with an analysis of the cost of the settlement and its impact on the operating budget.

The CDE shall review the analysis relative to the criteria and standards, and may provide written comments to the president of the governing board and the county superintendent of schools.
