# CAREER & TECHNICAL EDUCATION

# STUDENT OF THE MONTH

# DYLAN JARVIS

THIS IS MY THIRD WELDING CLASS. IT WOULD BE A WASTE OF OPPORTUNITY NOT TO TAKE THIS CLASS SERIOUSLY BECAUSE I CAN LEARN THE SKILLS NOW WHILE I'M STILL IN HIGH SCHOOL AND GO ON TO MAKE GOOD MONEY LATER. MR. RUDZINSKY IS PROBABLY ONE OF THE BEST TEACHERS I'VE EVER HAD, HONESTLY. IF YOU WANT TO BE IN THE WORKFORCE AND ARE WILLING TO WORK HARD, HE WILL TEACH YOU WHAT YOU NEED TO KNOW AND HELP YOU GET A JOB, ONE WHERE YOU CAN MAKE A GOOD LIVING RIGHT OUT OF HIGH SCHOOL."

– DYLAN JARVIS

Dylan plans to work locally as a welder to develop his skills and then go on to be a travel welder.
