I give the Food & Nutrition Department permission to speak with the below named Physician to discuss the dietary needs described below.

Signature of Parent/Guardian: _____ **Date**: _____

Part II (To be filled out by licensed physician- **M.D. or D.O. only**)

Patient's Diagnosis:_____

Is the medical condition a disability that restricts the student's diet?: Yes No

Under Section 504 of the Rehabilitation Act of 1973 and the Americans with Disabilities Act of 1990, a "person with a disability" is any person who has a physical or mental impairment that substantially limits one or more life activities, has record of such impairment or is regarded as having such impairment.

If yes, explain how the disability restricts their diet and the major life activities affected by the disability:

_____

Does the child have a life-threatening food allergy?: Y N If yes, has an EpiPen been prescribed? Y N

If yes to any of the above questions, Part III must be completed and signed by a **licensed physician**. If no was answered to the first two questions, accommodations are not required to be made by the Food & Nutrition Department and Part III is not necessary.

Part III (To be filled out by licensed physician-- **M.D. or D.O. only**)

This institution is an equal opportunity provider.

Request for Special Diet Accommodation Instructions

PURPOSE: To record the student's condition requiring dietary modifications of school breakfast and/or lunch and the changes needed to accommodate the student's condition.

PREPARATION: The parent or guardian of the child is responsible for obtaining the form, filling out Part I, requesting completion of Parts II and III by a licensed physician (M.D. or D.O.), and delivering the complete form **to the kitchen manager at the school where the child attends or by faxing the form to the district dietitian.** Consultation by a dietitian for completion of the form, if needed, should be requested by the parent or physician.

Instructions for Part I (to be filled out by parent or guardian):

- **Name of Student**: Enter the student's last name and first name.
- **ID#**: Enter the student's school ID number.
- **Date of Birth**: Enter the student's six-digit date of birth, e.g., May 21, 1988 = 05/21/88.
- **School**: Enter the name of the school which the student regularly attends.
- **Parent/Guardian**: Enter the full name of the student's parent(s) or legal guardian(s).
- **Phone Number**: If available, enter one or two telephone numbers with the area code where one or two of the guardians can be reached during the daytime.
- **Email**: If available, enter the primary email address for the parent/guardian.
- **Signature of Parent/Guardian**: Enter the signature of one parent or legal guardian's name. A printed name on the previous line should correspond to the signature.

Instructions for Part II (to be filled out by Physician-M.D. or D.O. only):

- **Patient's Diagnosis**: Insert the patient's clinical diagnosis for the condition which requires dietary modification.
- **Is the medical condition a disability?:** Indicate if the above medical diagnosis is considered a disability based on the definition set out in Section 504 of the *Rehabilitation Act of* 1973, the *Americans with Disabilities Act* of 1990 and the *Individuals with Disabilities Education Act* (IDEA).
- **If yes, please explain how the disability restricts the diet and the major life activities affected by the disability:** Describe the patient's condition as it affects a major life activity (i.e. caring for one's self, walking, seeing, speaking, learning, working, etc). Describe how the restrictions of the patient's condition affect his or her diet.
- **Does the child have a life-threatening food allergy?:** Indicate Y (yes) or N (no)
- **If yes, has an EpiPen been prescribed?** Indicate Y (yes) or N (no)

Instructions for Part III (to be filled out by Physician-M.D. or D.O. only):

- **Foods to be omitted:** Please READ CAREFULLY & CHECK APPROPRIATE BOX.
    - check the appropriate box(s) to indicate which foods or food ingredients must be omitted from the student's diet.
    - There are three options for dairy:
        - Fluid Milk (acceptable beverage substitutes need to be listed)
        - All Dairy Products-such as cheese, yogurt, and products containing these items such as pizza and tacos.
        - All Milk Protein-such as casein & whey and includes products containing any dairy protein such as pancakes & breads.
    - There are two options for Egg and Corn. Please read carefully.
- **Does food texture need to be modified?:** Indicate Y (yes) or N (no). If yes, check box to indicate how texture should be modified.
- **Diet request is permanent or temporary**: Does the student have a permanent disability (i.e. celiac disease, anaphylactic food allergies, etc.) or are the dietary modifications requested based on a temporary need to eliminate a food group (allergy testing, elimination diet trial, etc.).
    - A temporary request will require a new SDA Form at the beginning of each school year.
- **Dietitian's Name (if available)**: Provide a dietitian's name and phone number if available.
- **Physician**: Print the name, address and phone number of the physician completing the form.
    - MUST be legible and verifiable
- **Physician Signature**: Enter the signature of the physician filling out the form and the date signed.
