

Dear Second Grade DLI Students and Families,

Hi! It is our pleasure to welcome you to 2nd grade! We are very excited about being your teachers. We have missed being at school with friends and are so glad to be back together.

In second grade, we will have lots of fun developing a LOVE of reading, becoming excellent writers, learning mathematical skills, and investigating science phenomena, all while making new friends and developing social skills.

In order to create a successful learning environment for everyone, behavior is a must in the classroom. Together we will create our classroom expectations so that every student has the opportunity to learn in a safe and engaging environment.

Our Meet and Greet is. It is an informal time for us to meet and for you to become familiar with our classroom. Mrs. Bean's class is located in room 19. Maestro Lago's class is located in room 18. If you can not come to the Open House, please let us know via email how your child will get to and from school. Our email addresses are below. The first day of school is.

A "Back to School" video will be sent to you after the first week of school. The video will review classroom procedures and expectations.

Attached you will find a supply list. If you are ABLE and WILLING to send in supplies, it is appreciated, but not required. We will be sharing all supplies this year. If you are able to provide extra supplies, please bring them during the first week of school. We will make sure that every student has all of the supplies that they need. Please avoid sending supplies or toys that are not listed on the supply list. Additionally, if your child has supplies that are very special to them, please encourage them to enjoy those items at home only.

Be on the lookout for a weekly email from us on Monday mornings containing a newsletter about what we are learning at school and other important information. Mrs. Bean's email address is abean@pcschoools.us Maestro Lago's email is rlagos@pcschoools.us We check emails at the beginning and end of the school day. We will respond to all emails within 48 hours. If you need to get a hold of us during school hours, please call 435-645-5620 ext. 4457 (Mrs. Bean) ext. 4488 (Maestro Lagos). We are honored to be your teachers this year. We can't wait to get to know you and have an amazing school year together!

About Mrs. Bean

I have lived in Park City for more than 20 years. But, when I was your age, I lived in California. I miss the ocean and I am still getting used to the snow! My husband and I have 2 sons who have already graduated from Park City High School. I have worked in the Park City School District for 15 years at all four elementary schools. I have been at Parley's Park the longest- teaching 3rd grade, 2nd grade, and preschool. I love teaching and learning with my students. Some things that I like are: hiking, rock climbing, canyoneering, taking care of my 2 goats and 20 hens, helping my mom work in her garden, and spending time with my family.
