Unified School District

**WHEN BUSINESSES PARTNER  
WITH CANYON SPRINGS...  
STUDENTS AND THE  
COMMUNITY BENEFIT!**

Canyon Springs is a leader in STEM education. Together, with our community, we prepare and inspire generations of learners to succeed in our global society.

Business partners help to make learning real for our students, which allows them to experience Science, Technology, Engineering, and Math in the classroom and beyond the school day.

Businesses, in turn, are granted the opportunity to connect with the school's 500+ families and create a brighter future for Arizona and the world.

**Partner with us!**

**Canyon Springs**

A leader in STEM education. All student needs are met by the integration of the STEM model, differentiation of learner aptitudes, and incorporation of the Systems Approach to Learning. Together, with our community, we prepare and inspire generations of learners to succeed in our global society

**Vision**

Canyon Springs students will be collaborative, innovative, and inspirational leaders in the 21st century.
