

# Breakfast in the Classroom

**Mirage is pleased to offer FREE breakfast in classrooms for all K-6th grade students!**

Each morning an entrée, along with cold milk, juice or fruit, will be delivered to each K-6 classroom. For those students who choose to participate, breakfast will be served **free** of charge. Breakfast will not be available for parents and other family members.

The goal of serving school breakfast in the classroom is to ensure *every* student gets the boost they need for physical and academic well-being.

**7:45am:** The bell will ring, and students will proceed directly to their classroom. Breakfast will be served until 8am.

**7:55am:** 5 minute warning bell

**8:00am:** The final bell will ring, gates will be closed, breakfast will be cleaned up, and school will begin.

If students choose not to participate in Breakfast in the Classroom, they will still proceed directly to class from 7:45am-8:00am.

Breakfast menus will be sent home with students beginning in August.

\*Please note that breakfast will not be available for students who arrive late.

Please encourage your student to participate in this wonderful FREE program!
