Spring Community Education - TBA in January 2019

\*Deer Valley Unified School District requires all students to get a sports physical and complete a concussion course annually prior to trying out for any sport. It is recommended that students get a physical at the beginning of the school year because they are only good for one calendar year. Hillcrest offers \$25 sports physicals after school on the first day of school. More information will come in the summer newsletter. Forms and more information can be found on <http://dvusd.schoolwires.net/Page/11426>
