Unified School District

## Exciting News for Parents – Your PowerSchool access is changing!

Deer Valley School District is pleased to introduce PowerSchool Parent Single Sign-On beginning August 8, 2011. With Parent Single Sign-On, parents can access multiple students with one login. This feature allows each parent or guardian the ability to create their own individual account and retrieve login information. From the PowerSchool parent portal, <http://ps.dvusd.org/public/> create your new account by clicking Create Account button.

### Main Log In Screen

The screenshot shows the 'Main Log In Screen' with two main sections. The 'Login' section has fields for 'User Name' and 'Password', and a 'Submit' button. Below it is the 'Create an Account' section, which includes a brief description and a 'Create Account' button. A handwritten circle is drawn around the 'Create Account' button.

**Step 4**  
 ← Enter newly created User Name  
 ← Enter newly created password  
 ← Submit

**Step 1**  
 You must create an account before you can Log In.

To create an account, you need your existing username (Access ID) and password (Access Password) for EACH student you want to associate to your parent/guardian account.

Enter the following information:

First Name, Last Name, Email address

User Name - Name used to access your account. Please do not use special characters, @, ., ! or your email address.

Password - Password must be at least 6 characters long. The gauge on the right displays the strength of your password choice.

Re-Enter Password - Re-enter the password again. Password must match what was entered in the password field.

Link Students to Account - Enter required information for each student you want to link to your account.

The screenshot shows two forms. The top form is 'Create Parent/Guardian Account' with fields for First Name (Martin), Last Name (Abbott), Email (msb123@gmail.com), Desired User Name (Marty), Password (masked with dots), and Re-enter Password (masked with dots). The bottom form is 'Link Students to Account' with a table for linking students. The table has columns for Student Name, Access ID, Access Password, and Relationship. The first row is filled with 'Mary', 'Abb123', a masked password, and 'Father'. The other rows have 'Choose' in the Relationship column.
